

The Motorcycle Diaries questions and answers well illustrated.

Leave from Buenos Aires - correct answers. As they depart, they are almost hit by a bus. Alberto says they can detour to see Ernesto's girlfriend. Ernesto says that Alberto only wants to get laid in every country in South America. They have an accident and tumble into a ditch. That is when Alberto discovers that Ernesto is taking a puppy for Chichina, his girlfriend.

Miramar - correct answers. Chichina and the guests are upper class—very rich. There is a dance. Ernesto does not dance well. Chichina tries to teach him. Alberto dances well and dances with Chichina and other pretty young women. Chichina and Ernesto talk about whether she will wait for him. She says, finally, "I will wait for you, but don't take forever." Ernesto and Alberto stay six days. They approach the Andes on a narrow dirt road. They have a flat and change the tire. In the process, Ernesto accidentally flashes some paper money. It is \$15. Chichina has given him to buy her a bathing suit if they make it to the U.S. Ernesto says the money is off limits.

Piedra del Aguila - correct answers. They spin out on a rough dirt road. Ernesto gets a nasty gash in his leg. They try to set up camp in a wind storm. Their tent blows away. They seek shelter from a rancher, claiming to be doctors doing research. The rancher lets them sleep in a shed with "the migrants."

San Martín de los Andes - correct answers. They stop at a house, claiming to be doctors. The man asks them to look at a mysterious lump on his neck. Alberto says it's nothing serious. Ernesto says the man has a cancerous tumor. Later, Alberto criticizes him for telling the truth because they couldn't help the man and the important thing was to get more hospitable treatment from the man and his wife. The next day they go hunting for food at a lake. Ernesto's father had given him a handgun on the day of departure. Alberto uses it to shoot a duck, which falls into the lake. They argue about who should swim to fetch it. Ernesto does. That night he suffers a terrible asthma attack that lasts three days.

Estación de Tren de Bariloche, Argentina - correct answers.

Lagos Frías, Argentina - correct answers. They cross into Chile on a ferry across a beautiful lake. They discuss coming back to the lake to set up a clinic that would treat everyone. In the mountains, they encounter snow and slippery roads. They have to push the motorcycle.
