Brown, Carol Senf, Ellen J. Stockstill, 2018-03-15 The Gothic began as a designation for barbarian tribes was associated with the cathedrals of the High Middle Ages was used to describe a marginalized literature in the late eighteenth century and continues today in a variety of forms literature film graphic novel video games and other narrative and artistic forms Unlike other recent books in the field that focus on certain aspects of the Gothic this work directs researchers to seminal and significant resources on all of its aspects Annotations will help researchers determine what materials best suit their needs A Research Guide to Gothic Literature in English covers Gothic cultural artifacts such as literature film graphic novels and videogames This authoritative guide equips researchers with valuable recent information about noteworthy resources that they can use to study the Gothic effectively and thoroughly

This is the Sound of Irony: Music, Politics and Popular Culture Katherine L. Turner, 2016-03-03 The use of irony in music is just beginning to be defined and critiqued although it has been used implied and decried by composers performers listeners and critics for centuries Irony in popular music is especially worthy of study because it is pervasive even fundamental to the music the business of making music and the politics of messaging Contributors to this collection address a variety of musical ironies found in the notes themselves in the text or subtext and through performance reception and criticism The chapters explore the linkages between irony and the comic the tragic the remembered the forgotten the co-opted and the resistant From the nineteenth to twenty first centuries through America Europe and Asia this provocative range of ironies course through issues of race religion class the political left and right country punk hip hop folk rock easy listening opera and the technologies that make possible our pop music experience This interdisciplinary volume creates new methodologies and applies existing theories of irony to musical works that have made a cultural or political impact through the use of this most multifaceted of devices **Focus On: 100 Most Popular American Internet Celebrities** Wikipedia contributors,

The Dubious Case of a Failed Coup Feride Çiçekoğlu, Ömer Turan, 2018-09-18 This volume is an attempt to contextualise the coup attempt of 15 July 2016 in Turkey within the framework of militarism and masculinities The immediate aftermath of the 15 July in Turkey witnessed confusion contestation and negotiation among different narratives until a hegemonic version was superimposed on the collective memory as part of official history building This project is an attempt to bring a fresh and critical perspective by compiling together analyses from various disciplines of political science media and film studies literature sociology and cultural studies Several chapters of this volume delineate the paradox of

victorious militarism meaning that despite the failure of the coup its aftermath has been shaped by a new wave of state sponsored gendered militarism with the establishment of a regime of state of emergency **Corporate Training** Lucas Morgan,AI,2025-02-28 Corporate Training offers a practical guide to employee development strategies emphasizing leadership development skill building programs and the strategic role of training in organizational success Effective training is not merely an expense but a crucial investment Did you know that companies with comprehensive training programs experience significantly higher employee retention rates The book explores how training methodologies have evolved highlighting the shift towards dynamic interactive and technology driven models This book addresses key business challenges such as cultivating strong leaders and prioritizing essential workforce skills It provides a comprehensive understanding of corporate training starting with fundamental concepts like learning theories and instructional design The book progresses through specific areas including leadership development and technical skill enhancement ultimately discussing how to evaluate training effectiveness and calculate the return on investment It is a valuable resource because it emphasizes aligning training programs with organizational strategy and focuses on measurable outcomes Asian Histories and Heritages in Video Games Yowei Kang,Kenneth C. C. Yang,Michał Mochocki,Jakub Majewski,Paweł Schreiber,2024-08-28 This book explores the representations of national Asian histories in digital games Situated at the intersection of regional game studies and historical game studies this book offers chapters on histories and heritages of Japan China Iran Iraq Taiwan South Korea Indonesia Singapore Turkey and Russia The volume looks beyond the diversity of the local histories depicted in games and the audience reception of these histories to show a diversity of approaches which can be used in examining historical games from postcolonialism to identity politics to heritage studies It demonstrates various methodological approaches to historical regional game studies case studies of nationally produced historical games that deal with local history studies of media reception of history heritage themed games text mining methods studying attitudes expressed by players of such games and educational perspectives on games in teaching cultural heritage Through the lens of videogames the authors explore how nations struggle with the legacies of war colonialism and religious strife that have been a part of nation building but also how victimized cultures can survive resist and sometimes prevail Appealing primarily to scholars in the fields of game studies heritage studies postcolonial criticism and media studies this book will be particularly useful for the subfields of historical game studies and postcolonial game studies *DIY Utopia* Amber Day,2016-12-22 At first glance contemporary popular culture filled with bleak images of the future seems to have given up on the possibility of positive collective change Below the surface however alternative culture is rife with artist led projects activist movements and subcultural communities of interest that seek to spark the collective imagination and to encourage hunger for alternatives More playfully self conscious than past utopian movements today s are often whimsical or ironic but are still entirely earnest Artists invite us to re author city maps or archive individual ideas for the future while maker collectives urge us to rethink

our relationship to consumer goods All seem to have grown out of a similar do it yourself ethos and alternative culture One of the central conflicts informing these case studies is that while it remains immensely difficult to envision anything outside of the current system of consumer capitalism there is nevertheless a powerful desire to take it apart in piecemeal ways We see the longing for new social and political narratives new forms of communion and sociability and new imaginings of the possible longings that are currently unmet by mainstream culture but that are taking expression in myriad ways at the local level Taken as a whole this collection examines what our grand ideals and playful daydreams tell us about ourselves
