Douyin, TikTok and China's Online Screen Industry Chunmeizi Su, 2023-09-22 TikTok has drawn attention from all over the world Even if you have never used it before you would still be familiar with its name Many people have assumed that it is a US generated platform and normally awed at its real origin a Chinese born and operated platform a sister or parallel platform of Douyin Because of the short video platform TikTok and also its dispute with the US government people have started to paying attention to what is really happening and changing in China Two questions that hang over everyone s mind seem to be why China And why TikTok This book attempted to answer the question of why short video platforms such as TikTok the most popular made in China product of all the Chinese digital platforms became a significant competitor on the global stage This book explores the reasons behind the rise of short video platforms in China with a focus on the sudden and unexpected success of TikTok and its parallel platform Douyin Beginning with the historical development of China s online screen industry the book goes on to investigate the ICT industry its business models and impact on the screen industry to unfold the reasons behind the domestic popularity of Douyin It draws on a spectrum of sources including policy documents industry reports and expert analysis which is supplemented by interviews with key people in the field It traces the changing dynamics of the Chinese online screen ecology and shows how a mixture of technological industrial and cultural factors contributed to the proliferation of short video platforms in China This engaging and topical book will be ideal reading for students and scholars of media and communication studies platform studies and political economy studies

TikTok Domination Noah B. Strickland, 2025-11-04 Unlock the Secrets to Going Viral and Turning Followers into Income

Are you tired of chasing TikTok trends without getting traction? Wondering how top creators blow up overnight while your videos barely reach your followers? TikTok Domination is your step by step roadmap to crack the algorithm, build a loyal audience and monetize your content even if you're starting from zero. Whether you're a content creator, entrepreneur, coach or brand, this book gives you the 80/20 blueprint to scale fast, convert attention into trust and transform your TikTok presence into a long term digital empire. In this strategy packed guide, you'll learn how to Hack TikTok's hidden algorithm signals, Understand watch time, replays, engagement velocity and more. Build content that feeds the algorithm instead of chasing it. Use keyword rich hooks that grab attention in the first 3 seconds. Master growth, nurture and monetization content to build momentum and trust. Automate your posting and scale with batch creation systems, templates and SOPs. Convert views into revenue with affiliate marketing, digital products and TikTok Shops. Leverage Spark Ads, retargeting and funnel strategies to amplify winning content. Grow through creator collaborations using duets, stitches and brand safe tag strategies. Use analytics to focus on money metrics instead of vanity metrics. Build a TikTok funnel that runs on autopilot and unlocks multiple revenue streams. Unlike generic TikTok guides, TikTok Domination is rooted in data driven frameworks, reverse engineered virality and battle tested creator case studies. You'll learn what works now, not what worked two years ago. If you're serious about mastering short form content, scaling your digital brand and finally monetizing your influence, this book is your blueprint.

The Ultimate Guide to TikTok (100% Unofficial) (EBOOK) Scholastic, 2020-11-05. This is the ultimate guide to TikTok just for you. Packed with profiles, quizzes, fill in fun and loads of top tips for creating your own videos. Your Data, Their Billions Jane S. Hoffman, 2022-04-19. THE GUIDE TO USING EVERYDAY TECH FROM GOOGLE SEARCHES AND AMAZON TO GPS AND FACEBOOK WITH EYES WIDE OPEN. What if somebody knew everything about you? Your relationships, work, social and private, family history, finances and medical records, even your exact location at any time of the day, personal preferences and purchases. Somebody does. That somebody is Big Tech. Facebook, Google, Amazon, Apple and Microsoft know more about you than you do. And they make billions of dollars by cashing in on your private data. Our personal data, which Big Tech companies get for free, is the engine that drives the unregulated, free for all Wild West world called the digital marketplace. These corporate giants may bring us information and entertainment, convenience and connection, but they also do a lot of harm by threatening our privacy, discovering and disseminating our personal information, spreading dangerous misinformation from foreign governments and bad actors, manipulating our behavior, affecting what we see, buy, even who we vote for. So what can we do about it? This eye opening book provides vital information that has been out of reach to those who need it most: the millions of Facebook, Google, Amazon, Apple and Microsoft users who have come to love and depend upon these digital products. Veteran consumer advocate Jane Hoffman makes the complex world of Big Tech simple to grasp as she reveals exactly how Big Tech uses and abuses your personal information. And she proposes a bold blueprint for reforming these corporate behemoths, including a data dividend. Your Data, Their Billions is a guidebook to everything at stake in our digital

society from Big Tech's overreach into our daily lives to its practices that threaten our democracy Knowledge is power and it starts here
