Life & Times Thru My Eyes... Robert Seybold,2013-10-07 My name is Bob which I prefer over Robert William Seybold Jr I wrote this book because I wanted my family and friends to know from my mouth that I am gay and was born this way I had no choice in the matter I have had to hide this from the people I love afraid I would lose them once they heard from me personally They probably have been in denial over my life guessing and betting that they were right It was and is my business but I needed to let them know my side of the story All my life I had had to hide the truth with employers family and friends Coworkers included I did not want to be fired or hated Fear is a terrible thing So I tried to make my life something special which I

accomplished by writing this book *Life and Times through My Eyes* **Branded Women in U.S. Television** Peter Bjelskou, 2014-12-18 *Branded Women in U S Television* examines how *The Real Housewives of New York City* Martha Stewart and other female entrepreneurs create branded televised versions of the iconic U S housewife Using their television presence to establish and promote their own product lines including jewelry cookware clothing and skincare they become the primary physical representations of these brands While their businesses are serious and seriously lucrative especially reality television enables a certain representational flexibility that allows participants to create campy and sometimes tongue in cheek personas Peter Bjelskou explores their innovative branding strategies specifically the complex relationships between their entrepreneurial endeavors and their physical bodies attires tastes and personal histories Generally these branded women speak volumes about their contemporaneous political environments and this book illustrates how they and many other women in U S television history are indicative of larger societal trends and structures **Wife, Inc.** Suzanne Leonard, 2020-05-01 A fascinating look at the changing role of wives in modern America After a half century of battling for gender equality women have been freed from the necessity of securing a husband for economic stability sexual fulfillment or procreation Marriage is a choice and increasingly women and men are opting out Yet despite these changes the cultural power of marriage has burgeoned What was once an obligation has become an exclusive club into which heterosexual women with the right amount of self discipline may win entry The newly exalted professionalized wife is no longer reliant on her husband s status or money instead she can wield her own power provided she can successfully manage the business of being a wife *Wife Inc* tells a fiercely contemporary story revealing that today s wives do not labor in kitchens or even homes Instead the work of wifedom occurs in online dating sites on reality television in social media and on the campaign trail Dating marital commitment and married life have been reconfigured No longer the stuff of marriage vows these realms are now controlled by brand management and marketability To prosper women must appear confident empowered and sexually savvy Guiding readers through the stages of the wife cycle Suzanne Leonard follows women as they date prepare to wed and toil as wives using examples from popular television film and literature as well as mass market news women s magazines new media and advice culture The first major study to focus on this new definition of working wives *Wife Inc* reveals how marriage occupies a newly professionalized role in the lives of American women Being a wife is a business that takes a lot more than a vow to maintain this book tells that story **Turning the Tables** Teresa Giudice, K.C. Baker, 2016-07-05 Convicted on federal fraud charges Giudice was sentenced to fifteen months in prison Her tiny prison cubicle in Connecticut felt so far removed from the glamorous world portrayed on *The Real Housewives of New Jersey* What was a skinny Italian to do Keep a diary of course Now she comes clean on all things Giudice growing up as an Italian American dealing with chaos and catfights on national television and eventually coming to terms with the reality of life in prison **Cue the Sun!** Emily Nussbaum, 2025-07-01 The rollicking saga of reality television a sweeping *The Washington Post* cultural history of America s

Pop Culture, Politics, and the News Joel Penney, 2022 In Pop Culture Politics and the News Joel Penney explores how pop culture news has taken on an important role in contemporary political discourse Through coverage of topics like Hollywood diversity celebrity controversy and cancel culture backlash entertainment journalism has emerged as a key source of political information and commentary providing audiences with an accessible lens into some of the most hot button issues of our time Yet due to the clickbait economics of the polarized digital news business the quality of entertainment journalism is often compromised and consequently people view pop culture coverage as soft news with little substance or public value Very little is known about how this journalism is produced and consumed as a component of the digital news ecosystem Moreover we lack a measured sense of its potential impact on the political interests and knowledge of its audiences the politics of the entertainment industry it covers and the shape of public debate more broadly Drawing on interviews with entertainment journalists and testimonials from news audiences who share these stories on social media Joel Penney argues for the importance of reframing our understanding of impactful journalism and persuasive political communication when culture and identity have moved thoroughly to the center of U S public discourse Moreover Penney examines how audiences engage with this highly accessible and emotionally resonant form of journalism and use it as a resource for political expression and discussion raising important questions about how it can serve as a bridge to public issue engagement as well as a potential distraction from on the ground political concerns As a cutting edge data rich analysis of the blurring boundaries between entertainment politics social media activism and partisan journalism Pop Culture Politics and the News makes a major contribution to public scholarship on the shifting digital information landscape
