Clarke,2000-06 *Geezer Sex* is a collection of short stories that includes romance chance meetings fantasy and science fiction tragedy and nostalgia all viewed from the perspectives of people who are no longer young but remain youthful in the face of passing years The stories explore memories from the past parallel universes the death of a child a second chance at love teeth and of course geezer sex Varied in content these twelve stories will evoke laughter tears and warm memories for the mature reader *The Twenty-Seventh Letter of the Alphabet* Kim Adrian,2018-10 Clear sighted darkly comic and tender *The Twenty Seventh Letter of the Alphabet* is about a daughter s struggle to face the Medusa of generational trauma without turning to stone Growing up in the New Jersey suburbs of the 1970s and 1980s in a family warped by mental illness addiction and violence Kim Adrian spent her childhood ducking for cover from an alcoholic father prone to terrifying acts of rage and trudging through a fog of confusion with her mother a suicidal incest survivor hooked on prescription drugs Family memories were buried even as they were formed and truth was obscured by lies and fantasies In *The Twenty Seventh Letter of the Alphabet* Adrian tries to make peace with this troubled past by cataloguing memories anecdotes and bits of family lore in the form of a glossary But within this strategic reckoning of the past the unruly present carves an unpredictable path as Adrian s aging mother plunges into ever deeper realms of drug fueled paranoia Ultimately the glossary s imposed order serves less to organize emotional chaos than to expose difficult but necessary truths such as the fact that some problems simply can t be solved and that loving someone doesn t necessarily mean saving them *Sex Education in the Home* United States.
