Leap Forward Andrew Obara, 2017-10-13 This book was written for people who probably feel they never need it. Its main purpose is to motivate and encourage the reader, whoever and wherever they are, that it is possible to rise up, do better, and excel as a person. It is easy to get into the trap of daily painful existence, blaming circumstances, the environment, other people, and things around us for our negative outcomes in life. None of us love to remain poor or insignificant. We all want to achieve and attain status in life. We all love to excel, yet very few of us do. The book argues with compelling stories and evidence from history, science, society, and academia that human destiny in its most crude form is like a garden. When left alone, a garden only grows with useless weeds, but when good seeds are sown in it, the ground is well cultivated, the crops are cared for, and the garden teeming lively with crops that feed us well. The author shares with the reader his personal experiences and those of scores of other people in the world to demonstrate the indomitable power of the human being to get better. Spiced with easy, witty poems and scores of true stories, the book convinces the reader of their power to excel. The book does this using sequential themes built around eight instructively captivating chapters as follows: 1. Leap forward and get better. 2. Use your power; you are more powerful than you think. 3. Pursue excellence; it is your calling. 4. Avoid mediocrity and all its roots. 5. Accept that you are different. 6. Dedicate yourself to service. And when you do all these and you realize it is tough. 7. Take heart.

the world seldom cheers excellence 8 Now do this and leap forward Echoes of Life: A Journey of Self-discovery and Inner Transformation | A Guide to Achieving Inner Peace Dr Ajaypal Kalyan,2024-09-09 Discover the power of intuition Learn to trust your gut instincts Embark on a life altering journey of self discovery and development Echoes of Life focuses on the need for courage and stepping out of your comfort zone in the face of life s challenges It encourages you to embark on a journey of self discovery and embrace the wisdom that lies within YOU to live an authentic fulfilling life Learn Achieve a deeper sense of purpose and fulfilment Balance between digital and real life Push boundaries to achieve growth Value of transformative relationships Interspersed with real life stories from everyday people Echoes of Life offers ways to make personal growth a natural part of everyday life **The Seven Attentions** Grandpa Joseph,2024-02-12 Do yo ever yearn for a life filled with meaning purpose and deeper connection Imagine waking up every day to a life you love Believe it receive it Listening to the Whispers of the Seven Attentions isn t just a book it s a gentle guide holding your hand as you navigate the beautiful landscape your inner world Think of this book as your compass pointing you towards hidden treasures Through practical exercises and heartfelt wisdom it offers keys to unlock doors you never knew existed deeper mindfulness emotional balance and harmony in your life Imagine embarking on a journey where each chapter becomes a stepping stone to greater awareness and self compassion You ll learn to listen to the subtle whispers of the seven attentions uncovering layers of your being that hold secrets to a more fulfilling and happy life More than just knowledge this book offers practical tools to cultivate your inner garden No matter where you are on your path this book offers a truly personalized and unique tools So take a deep breath open your heart and start listening The Whispers of the Seven Attentions are waiting to guide you on a compassionate journey towards a life overflowing with self love inner peace and a deeper connection to your true self and the universe around you Start Your Dream Life Order Your Copy Now *Mother Teresa's General Letters to Her Sisters* Kolodiejchuk MC Brian,2024-06-21 Mother Teresa s General Letters to Her Sisters is a collection of Mother Teresa s circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God s wisdom and love seems to shine through Mother Teresa s guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa s unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters

accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye. Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination. In either case her followers seemed to have been drawn into the mystery of her charisma endeavoring to keep pace with her. Was it the attraction of what could be termed as her leadership style in the unremitting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation? Or was it both? The letters will reveal the answer. Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate. The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs. In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life. They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God.
