Making Sense of Women's Lives , Lauri Umansky, Michele Plott, 2000-08-01 Making

Sense of Women's Lives presents a wide range of writings about women's lives in the United States. Michele Plott and Lauri Umansky have drawn on their experiences as both students and professors to assemble the collection. Seeking to provide as full a sampling from a diverse and intellectually vibrant field as one volume permits, the editors have also chosen writing that makes an enjoyable read. A few of the selections here represent the undisputed classics of the field. More of them constitute simply the works drawn from academic and nonacademic sources alike that could make a difference in understanding what it means to be female in America. Making Sense of Women's Lives is intended as the primary text in Women's Studies courses. With that usage in mind, Plott and Umansky have provided brief introductions to each article to help students understand the author's perspectives. Thought and discussion questions follow each selection. The book contains as well numerous Flash Exercises, suggestions for class exercises and activities. The editors have used these activities in their courses over the past decade in conjunction with readings in this volume and have found that the full complement of materials coalesces into an intellectually powerful introduction to Women's Studies. A Collegiate Press book.

A mother feels her daughter's first kick during pregnancy, labors to bring her daughter into the world, and watches as she takes her first breath of life. Similarly, a daughter opens up a new world and range of emotions to her mother, allowing her to feel an unconditional love she didn't know she possessed.

However, instead of focusing on regaining custody of her children, Jerica's mind is consumed with anger. She blames Kane for destroying their family and Dino for manipulating her to protect his own. Fueled by a desire for revenge, Jerica crafts a secret plan to bring down those who wronged her. Eria never imagined marriage would entail the emotional rollercoaster she has experienced. The latest turmoil has left her emotionally drained and tired of pretending everything is fine. Nick is no longer the man she married, and she finds solace in confiding with her ex, Dino. Their past chemistry resurfaces unexpectedly, leading to complications neither anticipated. After serving nine months in jail for violating her probation, Sharee is released and returns to her life without supervision. She's dedicated to being a good mother, and when Kane proposes, it seems like her life is finally coming together. But just as she begins to believe in a brighter future, a vengeful figure from her past resurfaces, threatening to unravel everything. In a world where turning pain into purpose is the mantra, these intertwined lives reveal that the path to purpose is fraught with unforeseen consequences and buried grievances ready to explode.

You Never Call! You Never Write!
