Annual Review of Addictions and Offender Counseling, Volume III

Pamela S. Lassiter, Trevor J. Buser, 2017-02-21 The Annual Review of Addictions and Offender Counseling Best Practices Volume III is the third volume in a series of peer reviewed edited books sponsored by the International Association of Addiction and Offender Counselors IAAOC a division of the American Counseling Association ACA Continuing the mission of the first two volumes this volume provides a forum for publications addressing a broad array of topics in the field of addictions and offender counseling Experts in the profession present innovative strategies and recommendations for best practices in drug education intervention strategies multicultural considerations and counselor education

Counseling Cops Ellen Kirschman, Mark Kamena, Joel Fay, 2015-09-24 Grounded in clinical research extensive experience and deep familiarity with police culture this book offers highly practical guidance for psychotherapists and counselors The authors vividly depict the pressures and challenges of police work and explain the impact that line of duty issues can have on officers and their

loved ones Numerous concrete examples and tips show how to build rapport with cops use a range of effective intervention strategies and avoid common missteps and misconceptions Approaches to working with frequently encountered clinical problems such as substance abuse depression trauma and marital conflict are discussed in detail A new preface in the paperback and e book editions highlights the book s relevance in the context of current events and concerns about police community relations See also Kirschman s related self help guide I Love a Cop Third Edition What Police Families Need to Know an ideal recommendation for clients and their family members Uprooting Sexual Violence in Higher Education Amy Murphy,Brian Van Brunt,2016-08-19 With national conversation turned toward sexual assault on college campuses knowing how to identify prevent and address these incidents in a safe and productive way is essential for administrators and faculty Uprooting Sexual Violence in Higher Education provides colleges and universities with a foundational understanding of twelve risk factors related to sexual assault stalking and intimate partner violence By presenting a blend of theory research and the personal reflections of professionals on the front lines this book provides insights into the motivations attitudes and behaviors behind sexual assault on campus as well as strategies for mitigating these risk factors in an effort to tailor prevention efforts Whether you are seeking a way to navigate the recent regulations on sexual violence from the federal government or merely wish to safeguard the welfare of students on your campus this book will provide the necessary and invaluable foundation you need to empower respect and support all students *Critical Issues in Policing* Roger G. Dunham,Geoffrey P. Alpert,2015-02-19 The Seventh Edition of Critical Issues in Policing includes many new and updated contributions that offer fresh perspectives and research on the most current trends in policing The entire collection of 34 articles carefully chosen for their broad application sharpens readers sense and understanding of the complexities of police work Styles of policing uses of technology and roles played by citizens in determining a proper measure of performance in law enforcement are among the essential topics addressed Comprehensive and fair Critical Issues in Policing provides ready access to the brightest and best minds in the field of policing encouraging readers to hold police accountable for specific goals tasks and objectives and to work in concert with citizens to promote secure communities **Ending Campus Violence** Brian Van Brunt,2012-08-21 With the growth of threats and violence in higher education settings college campuses are increasingly expected to have systems in place to identify potentially aggressive individuals and intervene to ensure the safety of the campus population This book will be useful for student affairs professionals as well as college counselors psychologists social workers interested in the practical management of aggression and violence on a college campus It will also be a valuable resource for those involved in creating and running behavioral intervention teams and threat risk assessment teams Ten case studies from both the community and residential college settings provide a comprehensive overview of campus violence and how to intervene to prevent it Pertinent background information is discussed as an introduction to these narratives such as the fundamentals of aggression and violence on campuses how these behaviors can

impact students faculty and staff and what can be learned from past campus violence Along with discussion questions and a review of ways to approach each situation experts in higher education forensic risk assessment law enforcement and legal issues weigh in on each case study Their perspectives offer a context and broad base of opinions and ideas on how each case could be handled Additional examples for further training of the college counselor are given through a detailed look at almost 100 incidents of violence including thwarted attacks rampage shootings and hostage situations

Interviewing Police Informants Lee Moffett, 2025-11-07 This book provides students and practitioners alike with a comprehensive discussion of the latest psychological research relevant to interviewing informants In particular the book contains a detailed outline of the R WITS US Review and Research Welfare Information Tasking Security Understanding context Sharing interview model This is a bespoke informant interview model that can be remembered by the axiom Keeping our wits about us The current book examines the development of this model bringing a clear focus on the specific definition of an informant and how this definition differentiates informants from other individuals who are likely to be interviewed by police such as victims witnesses or suspects A variety of relational and organisational objectives are identified and explored with the R WITS US model proposed as an ethical interview model capable of addressing these interconnected objectives The aims of each individual phase are carefully explained and practical examples of psychological techniques that can be used are provided throughout The book concludes with a detailed example of the R WITS US model highlighting how it could be employed in practice This book provides invaluable evidence based guidance to practitioners making it essential reading for police professionals who are required to understand and interview informants It will also be useful secondary reading for professional policing students engaged in police practice criminal investigation and investigative interviewing

Creating Multicultural Change on Campus Raechele L. Pope, Amy L. Reynolds, John A. Mueller, 2014-06-16 Embrace the best practices for initiating multicultural change in individuals groups and institutions Higher education institutions have begun to take steps toward addressing multicultural issues on campuses but more often than not those in charge of the task have received little to no training in the issues that are paramount in serving culturally diverse students Creating Multicultural Change on Campus is a response to this problem offering new conceptualizations and presenting practical strategies and best practices for higher education professionals who want to foster the awareness knowledge and skills necessary for multicultural change on an institutional level In Creating Multicultural Change on Campus the authors of the classic text Multicultural Competence in Student Affairs delve deep into key concepts in multicultural organizational development guiding readers who want to enact change not just at the individual level but also at the group and institutional levels Readers will be introduced to frameworks that are crucial for creating inclusive welcoming and affirming campus environments You ll also find comprehensive examples from several institutions along with specific examples of effective multicultural practices that are useful for real world situations The book Provides the strategies frameworks and expert

guidance for recognizing and addressing multicultural issues in institutions of higher learning Offers a rich understanding of both Multicultural Organizational Development MCOD and the Multicultural Change Intervention Matrix MCIM and how these models are important for evaluating environments and outcomes Is appropriate for those who serve students directly as well as higher education leaders and administrators who create professional development programs Is designed as a practical guide and filled with specific examples to help readers apply strategies to their own campuses A much needed resource this book can help lead institutions toward meaningful action that will have a positive impact for all individuals in a student body and the professionals who serve them **Journal of College Student Development** ,2000 Campus Action against Sexual Assault Michele A. Paludi,2016-05-16 A practical guide to prevention of and response to sexual assault on college campuses this invaluable resource will help ensure Title IX compliance and can also help reduce the incidence of these all too prevalent events The frequency of sexual assault on college campuses is startlingly high Notwithstanding this fact most campus officials are not trained in the psychology of the victimization process while most students are not aware of their reporting options A practical guide to sexual assault at colleges and universities this book integrates theories and empirical research with information about legislation and techniques to help college administrators deal with and prevent these disturbing offenses The work brings together a team of experts who discuss various types of assault including rape stalking intimate partner violence and sexual harassment and detail the legal educational and federal responses to such events on college campuses They address federal and state laws including new bills being proposed in Congress and present research on the physical and psychological dimensions of sexual assault Perhaps most important the book shows how human resource techniques and principles can be used to establish preventative measures and to respond appropriately when sexual assault does occur Students accounts of prevention training and education enhance the scholarly and legal contributions to this important and timely volume Interviewing of Suspects with Mental Health Conditions and Disorders in England and Wales Laura Farrugia,2022-04-26 Interviewing of Suspects with Mental Health Conditions and Disorders in England and Wales explores cutting edge research that focuses specifically on these adults including their cognitive needs and psychological vulnerabilities the impact on the investigative interview and existing legislation guidance and practice The book opens with a historical overview of the move from interrogation to investigative interviewing including the impact of well known miscarriages of justice and the inquiry that led to the development of current best practice interviewing Further chapters focus on the concept of vulnerability within current theoretical frameworks with a particular emphasis on mental health conditions and disorders including how they are constructed understood and identified within legislation and by those working at the forefront of the criminal justice system The book also examines current safeguards available to the suspect with mental health conditions and disorders such as the Appropriate Adult contemporary research explores their involvement with vulnerable suspects and whether it is sufficient as well as how the Appropriate Adult understands and experiences their

role Final chapters scrutinise current best practice investigative interviewing of suspects with mental health conditions and disorders and a paradigm shift towards an emerging evidence based interview model that considers the vulnerabilities associated with suspects with mental health conditions and disorders in the investigative interview Examining current psychological theory contemporary research and existing legislation and guidance including authorised professional practice this book will be of interest to those working within the criminal justice system as well as policing and forensic psychology students In particular it is essential reading for all serving and trainee police officers those delivering investigative interviewing training and interviewing personnel such as Appropriate Adults *Suicide in Schools* Terri A.

Erbacher,Jonathan B. Singer,Scott Poland,2023-12-01 The extensively updated second edition of *Suicide in Schools* provides school based professionals with practical easy to use guidance on developing and implementing effective suicide prevention assessment intervention and postvention strategies The *Suicide in Schools* Model provides readers with clear step by step guidelines on how to work proactively with school personnel and community professionals how to screen assess and monitor suicide risk create collaborative safety plans and plan for reentry after a suicidal crisis The authors expand this new edition with detailed case examples and innovative approaches such as upstream prevention strategies usable handouts and internet resources to effectively work with youth facing a suicidal crisis as well as students families and school staff who have suffered a suicide loss Updates include expanding the literature on cyberbullying and social media the higher risk of suicide in ethnoracial minoritized youth and LGBTQ students and the role of suicide in school violence This book is essential reading for school based administrators crisis team members and mental health professionals as well as for outside providers who work collaboratively with school districts Mastering the Transition to College Michael C. Meinzer,2025-09 This book is a

step by step guide for parents of teens with ADHD who are preparing for college Each chapter provides conversation starters for parents to initiate with their teen as well as clear goals to accomplish practical advice on how to approach key discussions and easy to use tools to help guide parents through the topic This book will help families confidently navigate this new chapter ensuring the transition from high school to college is as smooth as possible **Prevention of Intimate Partner Violence** Sandra Stith,2013-04-15 Stop intimate partner violence before it starts Intimate partner violence touches everyone With more than 1 million cases reported each year this pervasive social problem has devastating effects on victims families and communities Prevention of Intimate Partner Violence presents a comprehensive overview of the wide range of efforts and approaches that have been successful in preventing physical emotional and verbal abuse A growing frustration with the limits of therapeutic intervention and with the costs imposed on society by intimate partner violence has created a need for greater emphasis on state of the art prevention programs that really work Prevention of Intimate Partner Violence addresses the challenges of conducting and evaluating such programs gaps that exist in programming and research and future trends in those areas A panel of domestic violence experts researchers and healthcare professionals examines how to change the ways

individuals and the current health care system think about and respond to intimate partner violence how to change the ways young people deal with anger in intimate relationships and the ways society can support families to reduce the occurrence of violence in intimate relationships Prevention of Intimate Partner Violence examines identifying risk factors the cost benefit of universal and targeted programs the effectiveness of parenting stress management and substance abuse programs community capacity theory community development social networks media and public awareness campaigns healthcare screening programs and much more Prevention of Intimate Partner Violence documents the effectiveness of prevention interventions encouraging prevention specialists to use evidence based interventions to enhance the effectiveness of their own work This powerful book is an invaluable professional resource for social workers family life educators researchers and practitioners

Sports Fan Violence in North America Jerry M. Lewis, 2007-07-12 This extensively researched book addresses sports fan violence sociologically using both theoretical models and empirical data Lewis draws from the theoretical approaches based on the collective behavior models of Neil J Smelser and Clark McPhail in order to show how to study fan violence using the intensive case history method This method is then applied to an in depth analysis of the Ohio State Michigan football celebration riot in 2002 and the Boston Red Sox celebration riot in 2004 The book concludes by proposing solutions for the prevention and control of sports fan violence
