Remote Jobs Guide Returns:

Working Remotely Molly Virello, 2022-05-09 In March of 2020 the world workforce moved to work remotely challenging the nature of what librarians accomplish while not being in their buildings and how libraries serve communities with their doors closed While the initial move to remote work was forced voices emerged that questioned why librarians couldn't work remotely for extended periods of time as part of their regular jobs Librarians are uniquely positioned to move themselves to remote work while also maintaining connections to their patron base and their colleagues but where to start Stepping outside the traditional library space librarians can carve out a space to work remotely while still retaining the ability to reach our patrons provide access to quality programming pave the way for libraries to share information promote resources and even lead change in their communities With times changing and our profession adapting so quickly this practical how to guide will help librarians set up an office space set a routine and adapt plan create implement manage and evaluate their programs and services to the best of their ability in order to unleash their library's potential to engage and wow their patrons and communities With worksheets and templates anecdotes about what works easily and what might prove challenging this book is ideal for today's librarian

Your 24/7 Online Job Search Guide Lamont Wood, 2002-10-15 Getting a job is a race to the finish line So why walk when you can run You might think that only techies and geeks look for jobs online and that only high tech companies list their openings on Web sites But you'd be wrong In the information age going online is often the quickest easiest and cheapest way to find what you're looking for and that holds true for job hunters too In fact if you aren't online you're missing out on thousands of opportunities in almost every field And you don't have to be a computer genius All you need is access to the Internet and a little bit of guidance Using the Internet and this book you can get your name and resume in front of more people in an hour than you can in a week using conventional methods Your 24/7 Online Job Search Guide is designed for those who don't have much computer experience Fast easy and informative this book gives you the knowledge you need to get online and get a job Topics include An introduction to the Internet and the job search resources you can find online Assessing your goals and getting started Protecting yourself from identity theft and other frauds Building your online resume Using e-mail Usenet mailing lists and newsgroups The best job search sites and industry specific sites on the Web Technical terms you might need to know Using corporate information sites to investigate a particular company Doing in person interviews

Mobilities in Remote Places Phillip Vannini, 2023-07-21 *Mobilities in Remote Places* explores the meanings challenges and opportunities of remoteness as practiced and experienced by those who live and work in some of the world's most remote

communities As mobilities around the world proliferate in countless forms the meanings of remoteness undergo significant change Places once considered impossibly distant have appeared to become closer more accessible and less distinct from global centers of geopolitical power But instead of disappearing altogether configurations of remoteness evolve manifesting themselves through new possibilities new challenges and new insecurities Drawing from a variety of case studies from around the globe the contributors of the book examine remoteness as an outcome of evolving mobility constellations Rather than defining remoteness as an absolute or objective time distance condition the book shows how remoteness is a practice experience and representation that is situated relational and emergent This collection of original and thought provoking chapters will be of interest to students and researchers in the humanities and social sciences with an interest in mobilities place and human geography Chapter 10 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
