Motherhood In The Old South Pregnancy Childbirth And Infant Rearing:

Motherhood in the Old South Sally Gregory McMillen, 1990 A history of childbearing and rearing in the lives of women in the Old South Drawn from diaries and personal letters medical journals and physicians reports and census data predating the Civil War the author presents an account of the reproductive experiences of Southern women Her chief focus is the health and medical concerns of privileged Southern women from 1800 through 1860 *Childbirth: Midwifery theory and practice* Philip K. Wilson, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company **A**

Companion to the American South John B. Boles, 2008-04-15 A Companion to the American South surveys and evaluates the most important and innovative writing on the entire sweep of the history of the southern United States Contains 29 original essays by leading experts in American Southern history Covers the entire sweep of Southern history including slavery politics the Civil War race relations religion and women s history Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and anticipates future concerns Maternal Body and Voice in Toni Morrison, Bobbie Ann Mason, and Lee Smith Paula Gallant Eckard, 2002

Women and Children First (Routledge Revivals) Valerie Fildes, Lara Marks, Hilary Marland, 2013-10-14 First published in 1992 this book explores the efforts to counteract the high maternal and infant death rates present between the end of the nineteenth century and the Second World War It looks at the problem in five different continents and shows the varying approaches used by the governments institutions and individuals in those countries Contributors display how policy and practice have been shaped by the structure of maternity services nationalism the conflict of colonization and cultural factors In doing so they illustrate how welfare policy and funding were moulded throughout the world in the times considered **Negotiating Boundaries of**

Southern Womanhood Janet L. Coryell, 2000 In eleven thought provoking essays covering the early nineteenth through the early twentieth centuries *Negotiating Boundaries of Southern Womanhood* examines the complex intersections of race class and gender and the ways in which southern women dealt with the powers that be and in some instances became those powers Elitism status and class were always filtered through a prism of race and gender in the South and women of both races played an important role in maintaining as well as challenging the hierarchies that existed to claim a share of power for themselves in a male dominated world Copyright Libri GmbH All rights reserved **Modern Motherhood** Jodi

Vandenberg-Daves, 2014-05-26 How did mothers transform from parents of secondary importance in the colonies to having their multiple and complex roles connected to the well being of the nation In the first comprehensive history of motherhood in the United States Jodi Vandenberg Daves explores how tensions over the maternal role have been part and parcel of the development of American society *Modern Motherhood* travels through redefinitions of motherhood over time as mothers encountered a growing cadre of medical and psychological experts increased their labor force participation gained the right to vote agitated for more resources to perform their maternal duties and demonstrated their vast resourcefulness in

providing for and nurturing their families Navigating rigid gender role prescriptions and a crescendo of mother blame by the middle of the twentieth century mothers continued to innovate new ways to combine labor force participation and domestic responsibilities By the 1960s they were poised to challenge male expertise in areas ranging from welfare and abortion rights to childbirth practices and the confinement of women to maternal roles In the twenty first century Americans continue to struggle with maternal contradictions as we pit an idealized role for mothers in children s development against the social and economic realities of privatized caregiving a paltry public policy structure and mothers extensive employment outside the home Building on decades of scholarship and spanning a wide range of topics Vandenberg Daves tells an inclusive tale of African American Native American Asian American working class rural and other hitherto ignored families exploring sources ranging from sermons medical advice diaries and letters to the speeches of impassioned maternal activists Chapter topics include inventing a new role for mothers contradictions of moral motherhood medicalizing the maternal body science expertise and advice to mothers uplifting and controlling mothers modern reproduction mothers resilience and adaptation the middle class wife and mother mother power and mother angst and mothers changing lives and continuous caregiving While the discussion has been part of all eras of American history the discussion of the meaning of modern motherhood is far from over

Motherhood, Childlessness and the Care of Children in Atlantic Slave Societies Camillia Cowling, Maria Helena Pereira Toledo Machado, Diana Paton, Emily West, 2020-05-21 This book provides critical perspectives on the multiple forms of mothering that took place in Atlantic slave societies Facing repeated child death mothering was a site of trauma and grief for many even as slaveholders romanticized enslaved women s work in caring for slaveholders children Examining a wide range of societies including medieval Spain Brazil and New England and including the work of historians based in Brazil Cuba the United States and Britain this collection breaks new ground in demonstrating the importance of mothering for the perpetuation of slavery and the complexity of the experience of motherhood in such circumstances This pathbreaking collection on all aspects of the experience politics and representations of motherhood under Atlantic slavery analyses societies across the Atlantic world and will be of interest to those studying the history of slavery as well as those studying mothering throughout history This book comprises two special issues originally published in *Slavery Abolition and Women s History Review*

Families in Crisis in the Old South Loren Schweninger, 2012 *Families in Crisis in the Old South* Divorce Slavery and the Law

The New Encyclopedia of Southern Culture James G. Thomas Jr., Charles Reagan Wilson, 2012-11-26 Science and medicine have been critical to southern history and the formation of southern culture For three centuries scientists in the South have documented the lush natural world around them and set a lasting tradition of inquiry The medical history of the region however has been at times tragic Disease death and generations of poor health have been the legacy of slavery the plantation economy rural life and poorly planned cities The essays in this volume explore this legacy as well as recent developments in technology research and medicine in the South Subjects include natural history

slave health medicine in the Civil War public health eugenics HIV AIDS environmental health and the rise of research institutions and hospitals to name but a few With 38 thematic essays 44 topical entries and a comprehensive overview essay this volume offers an authoritative reference to science and medicine in the American South **The Great New Orleans Kidnapping Case** Michael Anthony Ross, 2015 In this stunning work of historical recreation Michael Ross uses a kidnapping investigation and trial that electrified the South in the summer of 1870 to offer important new insights into the complexities and possibilities of the Reconstruction era **New Studies in the History of American Slavery** Edward E. Baptist, Stephanie M. H. Camp, 2006-01-01 These essays by some of the most prominent young historians writing about slavery fill gaps in our understanding of such subjects as enslaved women the Atlantic and internal slave trades the relationships between Indians and enslaved people and enslavement in Latin America Inventive and stimulating the essays model the blending of methods and styles that characterizes the new cultural history of slavery s social political and economic systems Several common themes emerge from the volume among them the correlation between race and identity the meanings contained in family and community relationships gender and life s commonplaces and the literary and legal representations that legitimated and codified enslavement and difference Such themes signal methodological and pedagogical shifts in the field away from master slave or white black race relations models toward perspectives that give us deeper access to the mental universe of slavery Topics of the essays range widely including European ideas about the reproductive capacities of African women and the process of making race in the Atlantic world the contradictions of the assimilation of enslaved African American runaways into Creek communities the consequences and meanings of death to Jamaican slaves and slave owners and the tensions between midwifery as a black cultural and spiritual institution and slave midwives as health workers in a plantation economy Opening our eyes to the personal the contentious and even the intimate these essays call for a history in which both enslaved and enslavers acted in a vast human drama of bondage and freedom salvation and damnation wealth and exploitation *How to Do It* Rudolph M. Bell, 2000-10-01 *How to Do It* shows us sixteenth century Italy from an entirely new perspective through manuals which were staples in the households of middlebrow Italians merely trying to lead better lives Addressing challenges such as how to conceive a boy the manuals offered suggestions such as tying a tourniquet around your husband s left testicle Or should you want to goad female desires throw 90 grubs in a liter of olive oil let steep in the sun for a week and apply liberally on the male anatomy Bell s journey through booklets long dismissed by scholars as being of little literary value gives us a refreshing and surprisingly fun social history Lively and curious reading particularly in its cascade of anecdote offered in a breezy cozy journalistic style Lauro Martines *Times Literary Supplement* Bell s fascinating book is a window on a lost world far nearer to our own than we might imagine How pleasant to read his delightful informative and often hilarious book Kate Saunders *The Independent* An extraordinary work which blends the learned with the frankly bizarre *The Economist* Professor Bell has a sly sense of humor

and an enviably strong stomach He wants to know how people actually behaved not how the Church or philosophers or earnest humanists thought they should behave I loved this book Christopher Stace Daily Telegraph **Nighttime Breastfeeding** Cecília Tomori,2025-01-01 New parents in the United States are caught between responding to infant needs for closeness and breastfeeding and cultural and medical norms that emphasize solitary sleep This anthropological investigation shows that nighttime closeness and breastfeeding are the evolutionary and cross cultural norm but recent sociocultural shifts produced novel ideals of separation The book uncovers how breastfeeding parents rework these cultural ideals In this new edition the author describes shifting medical guidance that increasingly supports breastfeeding yet remains largely separated from infant sleep guidance The volume also provides a path towards more equitable approaches to nighttime infant care grounded in reproductive justice **Widows by the Thousand** M. Jane Johansson,2007-01-01 This collection of letters written between Theophilus and Harriet Perry during the Civil War provides an intimate firsthand account of the effect of the war on one young couple Perry was an officer with the 28th Texas Cavalry a unit that campaigned in Arkansas and Louisiana as part of the division known as Walker s Greyhounds His letters describe his service in a highly literate style that is unusual for Confederate accounts He documents a number of important events including his experiences as a detached officer in Arkansas in the winter of 1862 63 the attempt to relieve the siege of Vicksburg mutiny in his regiment and the Red River campaign just before he was killed in the battle of Pleasant Hill Harriet s writings allow the reader to witness the everyday life of an upper class woman enduring home front deprivations facing the hardships and fears of childbearing and childrearing alone and coping with other challenges resulting from her husband s absence **Baptist Faith in Action** Kathryn Carlisle Schwartz,2003 Supplying a wealth of material from locales and a time for which few primary sources exist Baptist Faith in Action brings to print the writings of Maria Baker Taylor 1813 1895 a strong minded plantation mistress who spent her life in South Carolina and Florida The granddaughter of Richard Furman South Carolina s foremost nineteenth century Baptist minister Taylor was a well educated and sophisticated member of South Carolina s second tier planter class She was also a most fervent Baptist Notable for its geographical and temporal breadth this collection of letters diary entries essays and poems affords an unmatched view into the life of a woman living on the South s interior frontier during the nineteenth century Born in Sumter County South Carolina Maria Baker married John Morgandollar Taylor in 1834 Throughout their marriage the couple lived on the geographical frontier first in Beaufort District South Carolina and then in Marion County Florida The mother of thirteen children Taylor taught her children and grandchildren at home devoted large amounts of time to church work and read voraciously She also wrote voluminously keeping diaries exchanging letter *The Girls' History and Culture Reader* Miriam Forman-Brunell,Leslie Paris,2011 Provides scholars instructors and students with the most influential essays that have defined the field of American girls history and culture and addresses topics ranging from diary writing and toys to prostitution and slavery from cover

United States History James Warren Oberly, 1995 *You're Doing it Wrong!* Bethany L. Johnson, Margaret M. Quinlan, 2019-04-19 New mothers face a barrage of confounding decisions during the life cycle of early motherhood which includes Should they change their diet or mindset to conceive Exercise while pregnant Should they opt for a home birth or head for a hospital Whatever they choose they will be sure to find plenty of medical expertise from health practitioners to social media influencers telling them that they re making a series of mistakes As intersectional feminists with two small children each Bethany L Johnson and Margaret M Quinlan draw from their own experiences as well as stories from a range of caretakers throughout *You re Doing it Wrong* investigates the storied history of mothering advice in the media from the newspapers magazines doctors records and personal papers of the nineteenth century to today s websites Facebook groups and Instagram feeds Johnson and Quinlan find surprising parallels between today s mothering experts and their Victorian counterparts but they also explore how social media has placed unprecedented pressures on new mothers even while it may function as social support for some They further examine the contentious construction of prenatal and baby care expertise itself as individuals such as everyone from medical professionals to experienced moms have competed to have their expertise acknowledged in the public sphere Exploring potential health crises from infertility treatments to better babies milestones *You re Doing it Wrong* provides a provocative look at historical and contemporary medical expertise during conception pregnancy childbirth postpartum and infant care stages ***A Companion to the Civil War and Reconstruction*** Lacy Ford, 2011-03-21 *A Companion to the Civil War and Reconstruction* addresses the key topics and themes of the Civil War era with 23 original essays by top scholars in the field An authoritative volume that surveys the history and historiography of the U S Civil War and Reconstruction Analyzes the major sources and the most influential books and articles in the field Includes discussions on scholarly advances in U S Civil War history
