Adventure Series is written by an adult and is intended for adults and therefore on occasion and sometimes even more often than that adult language is used. If you have a strong aversion to the use of the F bomb particularly when the person slinging that type of language is the female of the duo you may find your enjoyment of the book somewhat diminished on occasion. Unleash Your Adventure has made an effort to remove unnecessarily foul language from the book. There are points though where we feel the integrity of the scene and Sherrie's general personality require the occasional swear word. Otherwise if you ever meet her in real life say at a Horizon's Unlimited meeting or in some random port you will not be horrified. At the very least you can not say we did not warn you. She Rode a Harley Mary Jane Black, 2019-10. A courageous escape from domestic abuse is rewarded with a happy late in life remarriage in this motorcycle diary of love and loss.
