05: 1859 Charles Haddon Spurgeon, 2017-04-19 Charles Spurgeon was one of the most evangelical and puritan of protestant
ministers in the 19th century In the fifth volume of these series of sermons these charismatic and inspiring sermons are
enough to encourage convict and inspire anyone who seeks a closer and more intimate relationship with God *Lectures on*

of 1834 Ebenezer Porter, 1839 *Empty Admiration* Russell St. John, 2020-10-09 Do as I say not as I do It is not only parents
who fail to model instructions for their children but also teachers of preaching Robert Lewis Dabney was a nineteenth
century Presbyterian theologian who taught theology and preaching at Union Theological Seminary in Virginia prior to and
after the United States Civil War He is remembered for his powers as a systematic theologian his defense of southern
Christianity and his life long racism A formidable theologian and respected teacher of preachers Dabney's Sacred Rhetoric
1870 poised him to influence a generation of young preachers to devote themselves to verse by verse expository preaching
through books of the Bible Yet Dabney failed instead equipping his students to preach and modeling for them topical sermons
preached on mere fragments of text often without context Empty Admiration traces Dabney's thought and action from his
preaching theory to his classroom instruction to his personal practice revealing a man at odds with himself whose students
not unlike children preached as Dabney preached not as Dabney said **The Work and Prospects of Theological**
Colleges: a Sermon [on Isai. L. 4], Etc Henry Parry Liddon, 1868 **How to Increase Giving In Your Church** George
Barna, 1997-07-22 One of the most difficult tasks facing any church leader is the issue of raising funds It's not that we don't
realize that tithing and giving are biblical issues God's Word is full of strong statements about the stewardship of money But
how does a pastor convey God's heart for stewardship Literally what's the best way to raise the money your church needs to
survive Obviously God is the one who builds the church He is the ultimate provider But what's the best process of
shepherding the funds He has for your church This step by step guide will give you tools you need to raise funds in your
church scripturally and successfully without compromising biblical integrity After all it's God's church and His money but our
responsibility to manage it **Sermon from Shakespeare's Text, "Tongues in Trees, Books in the Running Brooks,**

Preaching Blayne A. Banting, 2023-07-21 As the complexity of our world increases exponentially there is need for preachers
to understand their identities and roles in this new reality and to navigate the landscape of the new challenges facing the

contemporary church Blayne Banting offers seasoned reflections on how contemporary preachers can build upon what cannot change in ways that frees them to practice their ministries creatively in ways which must change Sola Scriptura Sidney Greidanus, 2001-10-31 This book deals with a key question every pastor faces nearly every week in preparing sermons That question concerns the appropriate manner of treating the historical material of the Scriptures In the history of the Christian Church this material has often served as the basis for moral lessons or intellectual truths This study presents a careful analysis of the way in which this age old controversy surfaced in the revival of redemptive historical theology in the Reformed churches in Holland between the two world wars It also presents the basis for a fresh approach and is thus exceedingly helpful for both pastors and students

Preaching in Hitler's Shadow Dean G. Stroud, 2013-11-01 What did German preachers opposed to Hitler say in their Sunday sermons When the truth of Christ could cost a pastor his life what words encouraged and challenged him and his congregation This book answers those questions Preaching in Hitler's Shadow begins with a fascinating look at Christian life inside the Third Reich giving readers a real sense of the danger that pastors faced every time they went into the pulpit Dean Stroud pays special attention to the role that language played in the battle over the German soul pointing out the use of Christian language in opposition to Nazi rhetoric The second part of the book presents thirteen well translated sermons by various select preachers including Dietrich Bonhoeffer Karl Barth Rudolf Bultmann and others not as well known but no less courageous A running commentary offers cultural and historical insights and each sermon is preceded by a short biography of the preacher
