Reimagining Innovation; the Future of Exponential Leadership Aaron Bare,N. Forbes Shannon,2020-08-20 Bill Gates Windows and Microsoft changed the world but they were just the beginning With the rise of digital technology business moves at unprecedented speeds and now moves at an exponential pace This pace is wreaking havoc to the business landscape as we know it Disruption has brought too big to fail companies to their knees in a matter of months and it has made some industries obsolete Any company or leader that doesn t move at an exponential pace will be crushed by the new massively transformative exponential organizations These organizations are quickly expanding their purpose and invading new industries every day Guides like Bill Gates Jeff Bezos Elon Musk and more continue to provide us a roadmap for how to navigate the exponential horizon Through a collection of nine keys of exponential leadership we have created a formula to navigate the disruption Exponential leadership combined with emerging technologies change and disruption will not only disrupt the world but will save it It is time for a new generation of leadership A leader that is purposeful conscious digital and above all exponential Join us for a journey to reimagine innovation **Time to Get Tough** Michael Joseph Coles,Catherine M. Lewis,2018 Michael J Coles the cofounder of the Great American Cookie Company and the former CEO of Caribou Coffee did not follow a conventional path into business He does not have an Ivy League pedigree or an MBA from a top ten business school He grew up poor starting work at the age of thirteen He had many false starts and painful defeats but Coles has a habit of defying expectations His life and career have been about turning obstacles into opportunities tragedies into triumphs

and poverty into philanthropy In Time to Get Tough Coles explains how he started a 100 million company with only 8 000 overcame a near fatal motorcycle accident ran for the U S Congress and set three transcontinental cycling world records His story also offers a firsthand perspective on the business political and philanthropic climate in the last quarter of the twentieth century and serves as an important case study for anyone interested in overcoming a seemingly insurmountable challenge Readers will also discover practical leadership lessons and unconventional ways of approaching business *Disruptive Leadership* Rich Kao,2018-01-02 Disruptive leadership is a topic generating intense interest Companies all over the world are trying to upend their industry through innovative products and services Becoming a disruptive organization however is easier said than done Even more difficult is being a company that continually disrupts Is it possible to discern a code for how companies can achieve this In this highly readable and engaging book a disruptive leadership framework is proposed in which caring deeply is placed at the center of the model By turning care into a focal point a triphasic model is proposed that moves from the personal sphere individual to the corporate arena organizational and then to the global stage impact Nine keys are identified along this path for how companies can realize organizational excellence While care may seem like a soft concept in the rough and tumble world of business it is argued how it is actually an inspired manner for providing direction structure and know how that leads to powerful outcomes Apple is profiled as a leading example of leveraging what is termed the technology of caring deeply Other companies such as Nike IKEA Zappos Starbucks are also profiled Finally a leadership canvas is provided to help activate the lessons shared in the book
