Development of the Global Film Industry Qiao Li,Yanqiu Guan,Hong Lu,2020-09-01 The global film industry has witnessed significant transformations in the past few years Regions outside the USA have begun to prosper while non traditional production companies such as Netflix have assumed a larger market share and online movies adapted from literature have continued to gain in popularity How have these trends shaped the global film industry This book answers this question by analyzing an increasingly globalized business through a global lens Development of the Global Film Industry examines the recent history and current state of the business in all parts of the world While many existing studies focus on

Ticket Scalping Kerry Segrave, 2006-11-15 Ticket scalping is as much an American staple as apple pie Beginning as early as the mid 1800s scalpers known as sidewalk men were charging all the traffic would bear for event tickets Although these speculators were generally viewed as pariahs and public opinion was against the practice legal attempts to limit their activities were far from successful Boston enacted laws as early as 1873 while Pennsylvania followed suit in 1884 Still such measures did little good since some laws were declared unconstitutional and for the ones that were upheld the fines were negligible with jail time rarely served Over the years as moral objections to scalping dimmed the public became more tolerant as the practice became increasingly prevalent By the 1990s the capitalist mantras of free market and economic principles of supply and demand were even being used to justify the practice This volume details the ways in which scalping has changed over the years from a one man business to an agency controlled enterprise from performances by Jenny Lind to

Billy Joel The book examines the general situation public opinion and legal perception of scalping for four distinct periods 1850 1899 1900 1917 1918 1949 and 1950 2005 Emphasis is placed on the ways in which public and legal perception of the practice has evolved over this period Scalping slowly gaining a more positive status has become more accepted as part of the economic practice of free markets DK Eyewitness Travel Guide: London ,2013-10-01 The DK Eyewitness London Travel Guide will lead you straight to the best attractions London has to offer The guide includes unique cutaways floorplans and reconstructions of the city s stunning architecture plus 3D aerial views of the key districts to explore on foot You ll find detailed listings of the best hotels restaurants bars and shops for all budgets in this fully updated and expanded guide plus insider tips on everything from where to find the best markets and nightspots to great attractions for children The uniquely visual DK Eyewitness Travel Guide also includes in depth coverage of all the unforgettable sights The DK Eyewitness London Travel Guide shows you what others only tell you Now available in PDF format **What Movies Teach about Race** Roslyn M.
