The Sign in Sidney Brustein's Window Lorraine Hansberry, 2012-02-22 From the award winning author of *A Raisin in the Sun* comes one of the most electrifying classic masterpieces of the American theater an unforgettable portrait of a man struggling with his individual fate in an age of racial and social injustice Rich and warm and funny beautifully written Los Angeles Times *The Sign in Sidney Brustein's Window* along with *A Raisin in the Sun* are milestones in the American theater remarkable not only for their historical value but for their continued ability to engage the imagination and the heart It is drama of such clarity that one may return to it again and again and I expect emerge as deeply moved and each time the more illumined Miss Hansberry I am convinced doesn't know how to create a character who isn't gloriously diverse illuminatingly contradictory heart breakingly alive A personal odyssey of discovery a confrontation with others in the process of which Brustein discovers himself from the Foreword by John Braine With an Introduction by Robert Nemiroff

Pop Goes Korea Mark James Russell, 2012-10-20 Mr Russell's book is the first by a non Korean to explain the rise of Korea's entertainment industries the book could hardly be more approachable Wall Street Journal For a country that traditionally received culture especially from China but also from Japan and the United States South Korea finds itself at a turning point in its new role as exporter The New York Times From kim chee to kim chic South Korea came from nowhere in the 1990s to become one of the biggest producers of pop content movies music comic books TV dramas online gaming in Asia and the West Why Who's behind it Mark James Russell tells an exciting tale of rapid growth and wild success marked by an uncanny knack for moving just one step ahead of changing technologies such as music downloads and Internet comics that have created new consumer markets around the world Among the media pioneers profiled in this book is film director Kang Je-gyu maker of Korea's first blockbuster film *Shiri* Lee Su-man who went from folk singer to computer programmer to creator of Korea's biggest music label and Nelson Shin who rose from North Korea to the top of the animation business Full of fresh analysis engaging reportage and insightful insider anecdotes *Pop Goes Korea* explores the hallyu the Korean Wave hitting the world's shores in the new century Mark James Russell has been living in Korea since 1996 His articles about Korean and Asian cultures have appeared in Newsweek The New York Times International Herald Tribune and many other publications He is currently the Korea Japan Bureau Chief for Asian Movie Week magazine

Print the Legend Scott Eyman, 2012-05-29 When the legend becomes fact print the legend This line comes from director John Ford's film *The Man Who Shot Liberty Valance* but it also serves as an epigram for the life of the legendary filmmaker Through a career that spanned decades and included work on dozens of films among them such American masterpieces as *The Searchers* *The Grapes of Wrath* *The Quiet Man* *Stagecoach* and *How Green Was My Valley* John Ford managed to leave as his legacy a body of work that few filmmakers will ever equal Yet as bold as the stamp of his personality was on each film there was at the same time a marked reticence when it came to revealing anything personal Basically shy and intensely private he was known to enjoy making up stories about himself some

of them based loosely on fact but many of them pure fabrications Ford preferred instead to let his films speak for him and the message was always masculine determined romantic yes but never soft and always always totally American If there were other aspects to his personality moods and subtleties that weren't reflected on the screen then no one really needed to know Indeed what mattered to Ford was always what was up there on the screen And if it varied from reality what did it matter When you are creating legend fact becomes a secondary matter Now in this definitive look at the life and career of one of America's true cinematic giants noted biographer and critic Scott Eyman working with the full participation of the Ford estate has managed to document and delineate both aspects of John Ford's life the human being and the legend Going well beyond the legend Eyman has explored the many influences that were brought to play on this remarkable and complex man and the result is a rich and involving story of a great film director and of the world in which he lived as well as the world of Hollywood legend that he helped to shape Drawing on more than a hundred interviews and research on three continents Scott Eyman explains how a saloon keeper's son from Maine helped to shape America's vision of itself and how a man with only a high school education came to create a monumental body of work including films that earned him six Academy Awards more than any filmmaker before or since He also reveals the truth of Ford's turbulent relationship with actress Katharine Hepburn recounts his stand for freedom of speech during the McCarthy witch hunt including a confrontation with archconservative Cecil B DeMille and discusses his disfiguring alcoholism as well as the heroism he displayed during World War II Brilliant stubborn witty rebellious irascible and contradictory John Ford remains one of the enduring giants in what is arguably America's greatest contribution to art the Hollywood movie In Print the Legend Scott Eyman has managed at last to separate fact from legend in writing about this remarkable man producing what will remain the definitive biography of this film giant

Independent Stardom Emily Carman, 2015-12-15 Bringing to light an often ignored aspect of Hollywood studio system history this book focuses on female stars who broke the mold of a male dominated often manipulative industry to dictate the path of their own careers through freelancing Runner up Richard Wall Memorial Award Theatre Library Association 2016 During the heyday of Hollywood's studio system stars were carefully cultivated and promoted but at the price of their independence This familiar narrative of Hollywood stardom receives a long overdue shakeup in Emily Carman's new book Far from passive victims of coercive seven year contracts a number of classic Hollywood's best known actresses worked on a freelance basis within the restrictive studio system In leveraging their stardom to play an active role in shaping their careers female stars including Irene Dunne Janet Gaynor Miriam Hopkins Carole Lombard and Barbara Stanwyck challenged Hollywood's patriarchal structure Through extensive original archival research *Independent Stardom* uncovers this hidden history of women's labor and celebrity in studio era Hollywood Carman weaves a compelling narrative that reveals the risks these women took in deciding to work autonomously Additionally she looks at actresses of color such as Anna May Wong and Lupe Velez whose careers suffered from the enforced independence that resulted from being denied

long term studio contracts Tracing the freelance phenomenon among American motion picture talent in the 1930s Independent Stardom rethinks standard histories of Hollywood to recognize female stars as creative artists sophisticated businesswomen and active players in the then as now male dominated film industry **The Complete Idiot's Guide to Amateur Theatricals** John Kenrick,2006-09-05 The one and only book on successfully staging amateur productions In this book drama teachers and community directors are given everything they need to know about picking the right show licensing casting and budgeting organizing a schedule costumes makeup staging lighting and music tickets fundraising programs cast parties and more Illustrated with help plans and photos from actual productions Perfect for nonprofit organizations fundraising theater events and community theater groups Complete with an extensive resource section Illustrated with help plans and great photos from actual productions *Ticket Scalping* Kerry Segrave,2006-11-15 Ticket scalping is as much an American staple as apple pie Beginning as early as the mid 1800s scalpers known as sidewalk men were charging all the traffic would bear for event tickets Although these speculators were generally viewed as pariahs and public opinion was against the practice legal attempts to limit their activities were far from successful Boston enacted laws as early as 1873 while Pennsylvania followed suit in 1884 Still such measures did little good since some laws were declared unconstitutional and for the ones that were upheld the fines were negligible with jail time rarely served Over the years as moral objections to scalping dimmed the public became more tolerant as the practice became increasingly prevalent By the 1990s the capitalist mantras of free market and economic principles of supply and demand were even being used to justify the practice This volume details the ways in which scalping has changed over the years from a one man business to an agency controlled enterprise from performances by Jenny Lind to Billy Joel The book examines the general situation public opinion and legal perception of scalping for four distinct periods 1850 1899 1900 1917 1918 1949 and 1950 2005 Emphasis is placed on the ways in which public and legal perception of the practice has evolved over this period Scalping slowly gaining a more positive status has become more accepted as part of the economic practice of free markets *Entertainment Industry Economics* Harold L. Vogel,2014-12-31 The entertainment and media industries already important sectors of the US economy continue to grow rapidly in other countries around the world This ninth edition of Entertainment Industry Economics continues to be the definitive source on the economics of film music television advertising broadcasting cable casino and online wagering publishing performing arts and culture toys and games sports and theme parks It synthesizes a vast amount of data to provide a clear comprehensive and up to date reference guide on the economics financing accounting production and marketing of entertainment in the United States and overseas Completely updated it includes new sections on price effects art markets and Asian gaming Financial analysts and investors economists industry executives accountants lawyers regulators and legislators and journalists as well as students preparing to join these professionals will benefit from this invaluable guide on how the entertainment and media industries operate Hong Kong and Bollywood Joseph Tse-Hei

Performing Civility Lisa McCormick, 2015-09-23 Although competitions in classical music have a long history the number of contests has risen dramatically since the Second World War all of them aiming to launch young artists careers This is not the symptom of marketization that it might appear to be Despite the establishment of an international governing body competitions are plagued by rumors of corruption and even the most mathematically sophisticated voting system cannot quell accusations that the best talent is overlooked Why do musicians take part Why do audiences care so much about who wins *Performing Civility* is the first book to address these questions In this groundbreaking study Lisa McCormick draws from firsthand observations of contests in Europe and the US and in depth interviews with competitors jurors and directors

as well as blog data from competition observers to argue that competitions have endured because they are not only about music they are also about civility **Roadtrip 41** Douglas J. McGregor,2022-03-22 You are about to go on a road trip to 1941 with the devil s dog and his good friend the doc Yes Jake McCluskie is back Mohana a soul eating creature from Oblivion has reached the Well of Souls and soulless babies are now being born It s up to Jake McCluskie to stop it Problem is the only weapon that can kill the creature is not in his time period It s also in pieces and scattered about the country With the Arms Keeper out to kill them at every turn Jake and the doc time travel back to 1941 to find the gun pieces They have seven stops to make and it won t be easy especially with two children tagging along one of whom doesn t have long to live
