The Encyclopedia of Minor League Baseball Lloyd Johnson, Miles Wolff, 2024-12-26 When the pandemic hit in early 2020 baseball's minor leagues cancelled their seasons A few independent leagues tried abbreviated schedules but all Major League affiliates shut down for the first time in more than 120 years Since then Major League Baseball has taken over governance of the minors and leagues and teams have been eliminated In its fourth and final edition this book gives a complete accounting of the minor leagues as they were known from the late 19th century through 2019

The Independent Carolina Baseball League, 1936-1938 R.G. (Hank) Utley, Scott Verner, 2015-09-18 Shortly after the independent Carolina League was formed in 1936 officials of the National Association of Professional Baseball which oversaw what was known as organized baseball including the major leagues began a campaign to destroy the league The NAPB declared the Carolina League outlaw and blacklisted its players because their teams were pirating professionally contracted ballplayers with the lure of higher wages small town hero worship and a career off season Backed into a corner the Carolina League wore its outlaw label with a defiant swagger challenging the all powerful monopoly of organized professional baseball and its standard player contract This complete history of the league reveals how it persevered through three tumultuous seasons fueled by the tight knit community spirit of North Carolina Piedmont textile towns Over its three seasons of existence the Carolina League attracted professional baseball players from all over the country and it gave the players control over their careers setting a standard that was resisted until free agency was adopted in 1973

Spanking the Donkey Matt Taibbi, 2018-10-16 An up close look at the democratic race for the White House it isn't pretty *Spanking the Donkey* is a campaign diary like no other Celebrated reporter Matt Taibbi turns a withering eye on the kissing contest of puffed up martinets and egomaniacal fantasists more generally known as the 2004 Democratic primaries Taibbi's contempt for the whole charade and for most of those involved including a generous helping of his fellow journalists makes for a searing and highly entertaining account His refusal to take the proceedings seriously leads him to volunteer for Wesley Clark's New Hampshire campaign in the guise of an adult film director while his take on a John Edwards press conference in New York City is filtered through the haze of hallucinogenic drugs Taking up residence in slums and halfway houses as he follows the circus around the country Taibbi juxtaposes an idiotic dog and pony show in which clashes of plainly identical candidates are presented as real controversies with the quite separate concerns of the ordinary Americans whose
