The Mating Game Lana Ferguson, 2025-12-02 Two wolf shifters reluctant to love discover there's no fighting the call of the wild in this steamy romance by USA Today bestselling author Lana Ferguson Contractor Tess Covington has spent her entire life as a regular non-shifter human so after she lands in the Denver ER with flu-like symptoms it comes as a complete shock to be told that no, she's not sick, she's actually a late-presenting omega wolf shifter. With her family in dire financial straits and a contract for her own television show on the line, she can't afford not to complete the renovation job she came for. And given that her newly emerged wolf is in danger of going into heat, she'll just have to do her best to follow the doctor's advice to keep away from alpha shifters. Alpha wolf Hunter Barrett has spent most of his adult life living by a routine, and a big part of that involves staying clear of omegas after having one stomp on his heart. So when the tiny contractor shows up at his place smelling like the one thing he's determined to avoid, he thinks it must be some sort of cosmic joke. But with his lodge on the verge of failing and this sweet-smelling omega his only hope to turn things around, he's left with few other options than to grin and bear it. Set on avoiding each other as much as possible, they find things unexpectedly starting to heat up between them enough to thaw even the frostiest of hearts. Though even with the pair going head-over-paws for each other, there's no changing that their fling has an expiration date. The more time they spend together, the more they realize they're playing a dangerous game, one where the only thing on the line is their hearts. [The Little Black Book Killer](#) Fiona

Walker, 2025-10-08 The third charming instalment in the page-turning cosy mystery series from MILLION COPY bestseller Fiona Walker, perfect for fans of Richard Osman, Janet Evanovich, and Rev Richard Coles. Matchmaking has never been so murderous. Juno is feeling ready at last to start dating again after losing her husband some years ago. She is sure she can make time from being a Village Detective; indeed, it might help distract her from her crush on hunky but far too young pub landlord Mil. So she's signed up to an exclusive new dating app and cannot wait. But when one of the founding investors in that same dating app drops dead in front of fellow Village Detective Phoebe in a nearby hotel, and then a second investor is found hanging in the local cricket pavilion just days later, Juno knows she'll have to put her love life on hold. Teaming up once more with Phoebe, Felix, and Mil, the Village Detectives are back. And this time Juno, who'd thought she was getting under the covers with a new lover, is going undercover to catch a killer. Wickedly funny, cozy crime from million-copy bestselling author Fiona Walker. Fans of *The Thursday Murder Club* and *A Death on Location* will love the Village Detectives.
