How do they know to lead a blind owner Can they understand traffic lights Most importantly how does the owner know where to pick up the poop This memoir answers these questions and more It tells what guide dogs are supposed to do They're smart loyal and well trained but not all dogs are created alike Musket is proof of that He's definitely got a thing for treats and belly rubs For the first time the dog has his say Of course he needed a little help with the typing since he doesn't have opposable thumbs That's where author Mark Carlson came in Still Musket is the brains of the outfit Mark and Musket tell their story with humor emotion and Muskets occasional contradictions And at the end of the day Musket somehow manages to be a great guide dog too Confessions of a Guide Dog was written so a wonderful devoted dog could reach out to those who haven't been lucky enough to meet him Hell make you smile laugh cry and want to give him treats This is their story And they're sticking to it Kansas City - Insiders' Guide Katie A.
