Croutons Losing Lola Shannon Eilers, 2010-03 Set in a rural town in Texas Losing Lola is a memoir of losing a mother to brain cancer While Lola was dying her daughter Shannon struggled with the reality at hand while battling mental illness and a drug addiction As Shannon tried to cope with Lola s impending death she was also dealing with a marriage in shambles Shannon was suicidal and her husband was not supportive but pushed her over the edge Lola s mother also died of brain cancer which influenced Lola s decision to not treat the cancer in any way Lola s mother fought her brain cancer and lived in a nursing home mute and unable to walk Lola did not want to die like her mother Suffering for three years After Lola died Shannon s drug use increased She used LSD crack marijuana and cocaine Marijuana was used daily during her mother s illness and after her death Divorce came next as Shannon retreated to Germany to be with her high school sweetheart A passionate love affair began and Shannon married Roger at a quiet ceremony at the Austin courthouse Shannon continued to live with mental illness and drug abuse Roger demanded that Shannon go to rehab After six months in rehab Shannon relapsed many times until Roger had hired a divorce attorney and had found an apartment to move into Devastated Shannon stopped using drugs and learned how to be a good wife and mother Ten years after her mother s death Shannon and Roger have a happy life with two wonderful boys A story of sadness and illegal behavior ends in joy and a new understanding of life

Echoes of Magic and Myth Liz Roberts, 2025-03-05 In the dim corners of time where history fades into legend and legend blurs into myth the echoes of myth and magic continue to resonate These echoes carried through the ages weave the tapestry of human culture imbuing it with wonder mystery and enchantment from our understanding of the world and our place within it It is time to challenge those beliefs Only you will know when stepping out of the shadows is right What is it about myth and magic that continues to captivate the human imagination Perhaps they can transcend the mundane to offer glimpses of a reality where anything is possible The wealth of mythical characters and magic promises the power of transformation These ideas weave themselves into today s world This book examines how magic and mystery are part of our everyday lives We all think we know what went bump in the night but do we Have we opened some portal or door and who knows what has walked through it Have stereotypes influenced modern day language and beliefs and do they still exist Were

the witch trials a way of controlling women's behaviours and do some cultural beliefs maintain that level of influence From Dragons to Hexes and Otherworldly beings each brings us a message and ways to work with your energy or rituals to bring awakening and enlightenment to today's challenging journey we all take The echoes of myth and magic are timeless reverberating throughout history and into the present They are the stories we tell to make sense of the world the enchantments we imagine to transcend it If there are mysteries to ponder and dreams to chase the allure of myth and magic will never fade Their echoes will continue to inspire captivate and remind us of the boundless possibilities of human imagination Or that person you meet daily do you know who they are **Transcending CSS** Andy Clarke, Molly E. The Sirens' Call Chris Hayes,2025-02-11 From the NYT bestselling author and television and podcast host a powerful wide angle reckoning with how the assault from attention capitalism on our minds and our hearts has reordered our politics and the very fabric of our society We all feel it the distraction the loss of focus the addictive focus on the wrong things for too long We bump into the zombies on their phones in the street and sometimes they re us We stare in pity at the four people at the table in the restaurant all on their phones and then we feel the buzz in our pocket Something has changed utterly for most of human history the boundary between public and private has been clear at least in theory Now as Chris Hayes writes with the help of a few tech firms we basically tore it down in about a decade Hayes argues that we are in the midst of an epoch defining transition whose only parallel is what happened to labor in the 19th century attention has become a commodified resource extracted from us and from which we are increasingly alienated The Sirens Call is the big picture vision we urgently need to offer clarity and guidance Because there is a breaking point Sirens are designed to compel us and now they are going off in our bedrooms and kitchens at all hours of the day and night doing the bidding of vast empires the most valuable companies in history built on harvesting human attention As Hayes writes now our deepest neurological structures human evolutionary inheritances and social impulses are in a habitat designed to prey upon to cultivate distort or destroy that which most fundamentally makes us human The Sirens Call is the big book we all need to snap everything into a single holistic framework so that we can wrest back control of our lives our politics and our future

Count Santa Claus Michael A. Adashefski,2014-10-03 We ve often heard the saying opposites attract and sometimes their meeting turns out very well But what would happen if two extreme opposites met What would the outcome be This story is about the meeting of two extreme opposites meeting for the first time Santa Claus meets Count Dracula What would happen if these famous people met on a freezing Christmas Eve What if Count Dracula had a plan to take over Christmas and turn it into something more to his liking Would Santa beat his darkest foe or would Dracula win and turn the world into a planet full of vampires And what role does the famous drummer Johnny Vatos play in all this The answers lie in this wonderful tale about the meeting of these two opposites Who do you think will win this battle to save Christmas
