**Care** Brooke McAlary, 2021-06-16 From the internationally bestselling author of SLOW comes a new call to arms for a new approach to living well for everyone Tiny acts of care are everywhere A smile passed between strangers A moment spent noticing the light through the leaves A homemade meal shared with friends A parent chasing their child around the park smiles spread on their faces But when the world we live in is overwhelmingly a world of disconnection pain and division it makes sense to ask whether these acts of care beautiful moments of delight connection and kindness that they are really matter at all Brooke McAlary believes they matter In fact she believes they might be some of the most important actions we

will ever take Now more than ever we're burnt out, heartsick and overwhelmed by a world full of problems that seem too big to fix. The solution doesn't lie in caring less and switching off. Nor does it lie in caring more and throwing ourselves into further burnout. The radical solution is to learn how to care small. Tiny even. Care. The radical art of taking time explores what it means to care in small, powerful ways for ourselves, our loved ones and our communities and reveals that caring doesn't need to cost us our wellbeing, happiness or connection to the world. That making simple changes to how we live, spending more time in nature, putting down our devices and connecting with each other face to face, finding awe and wonder in the world around us and remembering how to play will have ripple effects that reach far beyond our own corner of the planet. With unwavering compassion and understanding, Brooke McAlary takes us on a journey to rediscover the small pleasures that create large ripples, reminding us that no one needs to shoulder the burden of doing it all by themselves; we only need to cast our eyes forward and start small with care.

**The Horticulturist**, 2021 **Content Inc., Second Edition: Start a Content-First Business, Build a Massive Audience and Become Radically Successful (With Little to No Money)** Joe Pulizzi, 2021-05-25. From one of today's leading experts in content marketing, Content Inc. is the go-to guide to building a solid small business by establishing a loyal audience before you sell products or services. In these pages, Joe Pulizzi provides a lower risk, more effective way to create a path to success by re-engineering the process that so often leads to failure. You'll learn how to develop valuable content, build an audience around that content and then create a product for that audience. Content Inc. walks you through the entire process, showing how to: Choose a marketable content topic; Figure out where little or no competition exists; Choose your top channel for disseminating content; Build long-term customer loyalty; Monetize your product or service; Expand your content into multiple channels; Sell your content asset or scale it into a large enterprise. This updated edition includes new and enhanced coverage of platforms like TikTok, SnapChat and Instagram, a new section about the exit strategy for the model, more practical how-tos and current examples of companies that have successfully implemented these strategies. Content Inc. provides an ingenious approach to business based on a profoundly simple concept: Having a singular focus on audience and building a loyal audience directly provide the best, most nuanced understanding of what products ultimately make the most sense to sell. Apply the methods laid out for you in Content Inc. and create the business of your dreams.
