A Rainy Day

Rihaan was on his way home from school. The sky was getting dark, and he started walking faster as he did not have an umbrella with him. However, it started raining when he was about a few blocks from his house.

Poor Rihaan was soaked from head to toe. He managed to run to a bus stop, but many people were already taking shelter from the rain. Rihaan was squashed between an old man and a fat lady.

Luckily, Rihaan spotted his classmate, Rohini, who managed to make some place to stand next to her. Rihaan got to know that she was staying in the same building as him. They had such a great time talking that they did not realize that the rain had stopped.

They agreed to walk to school and back to their home together from tomorrow.

A. Answer the following questions.

1. Why did Rihaan have to walk faster on his way home?

Ans: _____

2. How far away was Rihaan from his home when it started raining?
