Willaerts,2023-06-28 This step by step marketing approach makes it ever so easy to apply content marketing concepts Take your content marketing skills to the next level with this comprehensive handbook Inside you ll find everything you need to know to develop and execute a successful content marketing strategy including identifying your target audience creating compelling content and distributing it effectively Then with case studies and real world examples you ll be equipped to create and distribute content that engages and converts your target audience Combating Online Health Misinformation Alla Keselman,Catherine Arnott Smith,Amanda J. Wilson,2022-09-10 Selected as a 2025 Doody s Core Title Danger of health misinformation online long a concern of medical and public health professionals has come to the forefront of societal concerns during the COVID 19 pandemic Regardless of their motives creators and sharers of misinformation promote non evidence based health advice and treatment recommendations and often deny health methods measures and approaches that are supported by the best evidence of the time Unfortunately many infrastructural social and cognitive factors make individuals vulnerable to misinformation This book aims to assist information and health professionals and educators with all phases of information provision and support from understanding users information needs to building relationships to helping users verify and evaluate sources The book can be used as a textbook in library and information science programs as well as nursing communication journalism psychology and informatics programs The book written from the e health literacy perspective is unique in its nuanced approach to misinformation It draws on psychology and information science to explain human susceptibility to misinformation and discusses ways to engage with the public deeply and meaningfully fostering trust and raising health and information literacy It is organized into three parts Part I The Ecology of Online Health Information overviews the digital health information universe showing that misinformation is prevalent dangerous and difficult to define Part II Susceptibility to Misinformation Literacies as Safeguards addresses factors and competencies that affect individual vulnerability and resilience Part III Solutions focuses on education and community engagement initiatives that help the public locate and evaluate health information Chapters within the three Parts discuss technological innovation and social media as posing novel risks as well as presenting novel solutions to helping the public connect with high quality information and building trusting relationships among the public and information and health professionals **Digital Innovations for Mass Communications** Paul Martin Lester,2013-11-12 In every field of mass communications advertising entertainment studies journalism public relations radio television film tourism and visual reporting professionals understand the importance of storytelling Regardless of whether the finished product is a commercial an in depth investigative piece a public service campaign an independent documentary a travelogue or a collection of photographs effective storytelling requires a combination of creativity empathy and expertise Through the innovative technologies and techniques described in this textbook students will learn how to turn passive readers and viewers into engaged and regular users The sixteen chapters each include a brief introduction assignments simple to follow step by step exercises and sources for additional information

in which users will learn to produce apps informational graphics quick response codes quizzes simulations smartphone and table icons social media campaigns three dimensional pictures and video Students will work with the following programs Blogger Dreamweaver Excel Facebook GeoCommons Google Maps Illustrator Imgur iMovie Infogram iShowU JavaScript JustGive Kaywa Kickstarter LinkedIn Onvert Photoshop Pixel Resort QuickTime Reddit Second Life SurveyMonkey TheAppBuilder Twitter Vizualize Wikipedia Word WordPress and YouTube When digital innovations are added to traditional print and screen presentations a media user is not only allowed to interact with the information but can also physically engage with the story displayed Giving students the tools they need to transform their storytelling in this manner is the ultimate goal of this textbook

Girl on Girl Sophie Gilbert, 2025-04-29 Named a most anticipated book of Spring by Washington Post Harper's Bazaar Marie Claire Bustle LitHub Our Culture Kirkus AV Club and WNYC From Atlantic critic and Pulitzer Prize finalist Sophie Gilbert a blazing critique of early aughts pop culture What happened to feminism in the twenty first century This question feels increasingly urgent in a moment of cultural and legislative backlash when widespread uncertainty about the movement's power focus and currency threatens decades of progress Sophie Gilbert identifies an inflection point in the late 1990s and early 2000s when the energy of third wave and riot grrrl feminism collapsed into a regressive period of hyper objectification sexualization and infantilization Mining the darker side of nostalgia Gilbert trains her keen analytic eye on the most revealing cultural objects of the era across music film television fashion tabloid journalism and more What she recounts is harrowing from the leering gaze of the paparazzi to the gleeful cruelty of early reality TV and a burgeoning internet culture vicious toward women in the spotlight and damaging for those who weren't Gilbert tracks many of the period's dominant themes back to the rise of internet porn which gained widespread influence as it began to pervade our collective consciousness The result is a devastating portrait of a time when a distinctly American blend of excess materialism and power worship collided with the culture's reactionary puritanical and chauvinistic currents Amid a collective reconsideration of the way women are treated in public Girl on Girl is a blistering indictment of the matrix of misogyny that undergirded the cultural production of the early twenty first century and continues to shape our world today

Global esports Dal Yong Jin,2021-03-25 Global esports explores the recent surge of esports in the global scene and comprehensively discusses people s understanding of this spectacle By historicizing and institutionalizing esports the contributors analyze the rapid growth of esports and its implications in culture and digital economy Dal Yong Jin curates a discussion as to why esports has become a global phenomenon From games such as Spacewar to Starcraft to Overwatch a key theme distinguishing this collection from others is a potential shift of esports from online to mobile gaming The book

addresses why many global game players and fans play and enjoy online and mobile games in professional game competitions and therefore they investigate the manner in which the transfer to from and between online and mobile gaming culture is occurring in a specific subset of global youth The remaining focus identifies the major platforms used to enjoy esports including broadcasting and smartphones By analyzing these unexamined or less discussed agendas this book sheds light on the current debates on the growth of global esports culture
