magazines What pleasures do they offer us And why do we read them even when we disagree with the images of femininity that they splash across their hot pink covers Andrea McDonnell answers these questions with the help of interviews from editors and readers and her own textual and visual analysis McDonnell s perspective is multifaceted she examines the notorious narratives of celebrity gossip magazines as well as the genre s core features such as the Just Like Us photo montage and the Who Wore It Best poll McDonnell shows that despite their trivial reputation celebrity gossip magazines serve as an important site of engagement for their readers who use these texts to generate conversation manage relationships and consider their own ideas and values
