

Reading Comprehension

Read the short passage and answer the questions.

The Dog and the Shadow

It happened that a Dog had got a piece of meat and was carrying it home in his mouth to eat it in peace. Now on his way home, he had to cross a plank lying across a running brook. As he crossed, he looked down and saw his own shadow reflected in the water beneath. Thinking it was another dog with another piece of meat, he made up his mind to have that also. So he made a snap at the shadow in the water, but as he opened his mouth the piece of meat fell out, dropped into the water and was never seen more.

1. What animal was crossing a board?

2. What did the dog have in his mouth?

3. What did the dog see in the running brook?

4. What is the moral of the story?

Reading Sounds Sean Zdenek,2015-12-23 Imagine a common movie scene a hero confronts a villain Captioning such a moment would at first glance seem as basic as transcribing the dialogue But consider the choices involved How do you convey the sarcasm in a comeback Do you include a henchman s muttering in the background Does the villain emit a scream a grunt or a howl as he goes down And how do you note a gunshot without spoiling the scene These are the choices closed captioners face every day Captioners must decide whether and how to describe background noises accents laughter musical cues and even silences When captioners describe a sound or choose to ignore it they are applying their own subjective interpretations to otherwise objective noises creating meaning that does not necessarily exist in the soundtrack or the script *Reading Sounds* looks at closed captioning as a potent source of meaning in rhetorical analysis Through nine engrossing chapters Sean Zdenek demonstrates how the choices captioners make affect the way deaf and hard of hearing viewers experience media He draws on hundreds of real life examples as well as interviews with both professional captioners and regular viewers of closed captioning Zdenek s analysis is an engrossing look at how we make the audible visible one that proves that better standards for closed captioning create a better entertainment experience for all viewers

English Language Learning in the Digital Age Mark Dressman,Ju Seong Lee,Laurent Perrot,2023-01-24 Provides a thorough overview of digital learning methods and their practical application in the modern language classroom *English Language Learning in the Digital Age* is a comprehensive introduction to the theoretical background and real world application of IDLE Informal Digital Learning of English Designed for teachers and future teachers preparing to teach English as a second or other language this highly practical guide focuses on incorporating digital technology into curricula to draw upon the extracurricular exposures to English that many students experience outside of the classroom With some creativity and care

teachers can find ways to bring these experiences with English into the classroom ultimately improving student learning outcomes Offering a specific focus on examples and case studies drawn from language education in the Middle East Asia and Europe this text employs a three part structure beginning with the theories behind autonomous learning and the importance of informal language learning for young adults Part two demonstrates various methods for integrating games social media e books language software mobile apps and other digital resources into the classroom The third section addresses the use of IDLE methods to bridge the gap between informal and formal uses of English the advantages and disadvantages of IDLE in flipped classrooms and online teaching and how IDLE strategies can enhance mandated curricula and better prepare students for national exams The book concludes with a brief discussion of the future of language learning and the need to include digital technologies and learner driven strategies in education policy This unique text Offers practical methods for bringing informal student learning into the classroom Presents a wide range of engaging digital learning activities that can complement traditional language courses and improve language acquisition Reviews mobile apps for the translation and practice of vocabulary grammar and other components of language learning Provides real life examples of how teachers can develop lessons and curricula such as watching and making vlogs and reading transcripts of podcasts and audiobooks Includes access to a companion website containing video interviews with English learners and teaching plans reflecting TESOL Technology Standards and CEFR Reference Level Descriptors for English English Language Learning in the Digital Age is an ideal textbook for upper level undergraduate and graduate students in the fields of language education and language acquisition as well as teachers and teachers in training who are preparing to teach English in countries where English is not the primary language
