Reddit Update:

Best Of Redditor's Update Written By Her ,2022-09-28 Yesterday I came home on my lunch break to take a quick nap before returning to work and came home to find my husband and Jamie having sex in our bed I was shocked and didn't really know what to do so I just left and went back to work I honestly wasn't even tired anymore As I was walking into work I saw that I was being bombarded with texts and calls from them both so I just turned my phone off I got out of work around 9pm but I didn't want to go home I went to a movie and just drove around after I fell asleep on the side of the road and returned home at 8am this morning to get ready for work When I walked in I saw Matthew and Jamie at the table Jamie looked sad while Matthew looked pissed I told them good morning and went and got ready for work Matthew followed me yelling saying that what I did was wrong and my reaction was compelled uncalled for Other Formats on Amazon <https://amzn.to/3dG3urz>

Update Culture and the Afterlife of Digital Writing John R Gallagher,2020-02-03 Update Culture and the Afterlife of Digital Writing explores neglected circulatory writing processes to better understand why and how digital writers compose revise and deliver arguments that undergo sometimes constant revision John R Gallagher also looks at how digital writers respond to comments develop a brand and evolve their arguments all post publication With the advent of easy to use websites ordinary people have become internet writers disseminating their texts to large audiences Social media sites enable writers audiences to communicate back to them instantly and often Even professional writers work within interfaces that place comments adjacent to their text privileging the audience's voice Thus writers face the prospect of attending to their writing after they deliver their initial arguments Update Culture and the Afterlife of Digital Writing describes the conditions that encourage published texts to be revisited It demonstrates through forty case studies of Amazon reviewers redditors and established journalists how writers consider the timing attention and management of their writing under these ever evolving conditions Online culture from social media to blog posts requires a responsiveness to readers that is rarely duplicated in print and requires writers to consistently reread edit and update texts a process often invisible to readers This book takes questions of circulation online and shows via interviews with both writers and participatory audience members that writing studies must contend with writing's afterlife It will be of interest to researchers scholars and students of writing studies and the fields of rhetoric communication education technical communication digital writing and social media as well as all content creators interested in learning how to create more effective posts comments replies and reviews **Fake News**

Melissa Zimdars,Kembrew Mcleod,2020-02-18 New perspectives on the misinformation ecosystem that is the production and circulation of fake news What is fake news Is it an item on Breitbart an article in The Onion an outright falsehood disseminated via Russian bot or a catchphrase used by a politician to discredit a story he doesn't like This book examines the real fake news the constant flow of purposefully crafted sensational emotionally charged misleading or totally fabricated information that mimics the form of mainstream news Rather than viewing fake news through a single lens the book maps

the various kinds of misinformation through several different disciplinary perspectives taking into account the overlapping contexts of politics technology and journalism The contributors consider topics including fake news as disorganized propaganda folkloric falsehood in the Pizzagate conspiracy native advertising as counterfeit news the limitations of regulatory reform and technological solutionism Reddit s enabling of fake news the psychological mechanisms by which people make sense of information and the evolution of fake news in America A section on media hoaxes and satire features an oral history of and an interview with prankster activists the Yes Men famous for parodies that reveal hidden truths Finally contributors consider possible solutions to the complex problem of fake news ways to mitigate its spread to teach students to find factually accurate information and to go beyond fact checking Contributors Mark Andrejevic Benjamin Burroughs Nicholas Bowman Mark Brewin Elizabeth Cohen Colin Doty Dan Faltesek Johan Farkas Cherian George Tarleton Gillespie Dawn R Gilpin Gina Giotta Theodore Glasser Amanda Ann Klein Paul Levinson Adrienne Massanari Sophia A McClennen Kembrew McLeod Panagiotis Takis Metaxas Paul Mihailidis Benjamin Peters Whitney Phillips Victor Pickard Danielle Polage Stephanie Ricker Schulte Leslie Jean Thornton Anita Varma Claire Wardle Melissa Zimdars Sheng Zou **The Dark Social** Toija Cinque,Alexia Maddox,Robert W. Gehl,2023-11-07 This book explores how people interact online through anonymous communication in encrypted hidden or otherwise obscured online spaces Beyond the Dark Web itself this book examines how the concept of dark social broadens the possibilities for examining notions of darkness and sociality in the age of digitality and datafied life The authors take into account technical moral ethical and pragmatic responses to ourselves and communities seeking to belong in of the dark Scholarship on the Darknet and Dark Social Spaces tends to focus on the uses of encryption and other privacy enhancing technologies to engender resistance acts Such understandings of the dark social are naturally in tension with social and political theories which argue that for politics and acts to matter they must appear in the public light They are also in tension with popular narratives of the dark recesses of the web which are disparaged by structural powers who seek to keep their subjects knowable and locatable on the clear web The binary of dark versus light is challenged in this book The authors provocation is that practices of dark resistance motility and power are enacted by emerging data cultures This book draws together scholarship activism and creativity to push past conceptual binary positions and create new approaches to darknet and dark social studies The Dark Social Online Practices of Resistance Motility and Power will be a key resource for academics researchers and advanced students of media studies cultural studies communication studies research methods and sociology This book was originally published as a special issue of Continuum Journal of Media Cultural Studies Gaming Democracy Adrienne L. Massanari,2024-10-29 How play and gaming culture have mainstreamed far right ideology through social media platforms From Gamergate to the ongoing Big Lie the far right has gone mainstream In Gaming Democracy Adrienne Massanari tracks the flames of toxicity found in the far right and alt right movements as they increasingly take up oxygen in American and global society In this pathbreaking

contribution to the fields of internet studies game studies and gender studies Massanari argues that Silicon Valley's emphasis on meritocracy and free speech absolutism has driven this rightward slide These ideologies have been coded into social media spaces that implicitly silence marginalized communities and subject them to rampant abuse by groups that have learned to game the ecology of platforms algorithms and attention economies While populist movements are not new phenomena such as QAnon parental rights activism and COVID denialism are uniquely of the internet with supporters demonstrating both technical acumen and an ability to use memes and play as a way of both building community and fomenting dissent Massanari explores the ways that the far right uses memetic humor and geek masculinity as tools both to create a sense of community within these leaderless groups and to obfuscate their intentions Using the lens of play and game studies as well as the concept of metagaming *Gaming Democracy* is a novel contribution to our understanding of online platforms and far right political activism
