Position of Power Warren Mcfadden,2023-12-07 1 Stop begging and pleading and being needy Because it s not going to do any good The more you beg and plead and do all that nice shit and jump though all these monkey ass hoops for this person It only makes you look stupid And needy and desperate because they don t care They are not there They checked out the relationship a long time ago and are looking for your replacement The best thing for you to do now is to give up and stop trying That s the first thing you can do to start regaining your power back stop all that silly ass shit 2 Become independent Show your ex that you can live life without them and you will regain your power back because this is how it works The more you don t need that person the more that person wants you It s backwards its nature it is set up that way The more you don t want something the more you get it Kind of like rich people they get richer because they are already rich they are not working for money But what I m trying to tell you is this when you don t need them and you are self reliant and you are independent and you don t need them for absolutely nothing they ll want you This will work in your business or job whatever area of your life When you don t need it there it is Really this is how you operate from a position of power always remember people want what they can t have

The Marketing Complex Giles Lury,2017-09-03 Many marketers spend their days continually reducing brand positioning into single sentences to answer questions such as What is the brand message or What is the USP This tendency to perpetually condense and simplify is a carry over from a long gone era when products and services remained static and changes in platforms happened much more slowly Today however the reality is that brands are infinitely more complex and span territories consumer groups and categories Therefore to boil a branding message down into a single sentence or USP severely limits a brand s potential scope After all a brand is like a person and a person could never be accurately described in a single sentence The Marketing

Complex examines the current obsession with over simplification and fearlessly challenges marketers to consider whether they are blurring the line between simplifying and simplistic By exploring the origins and appeal of simplification through some of the best known literature the book conclusively proves that endless simplification actually only serves to limit a brand s appeal By presenting a visionary new model supported by examples tools and expertly explained techniques The Marketing Complex will enable marketers to recognise the important role that depth and multiplicity play in communicating a brand message and to boldly embrace complexity when crafting their brands Digital Discipline Havard Mela,2024-02-06 Take back your life and learn how to thrive in a world with constant distractions In Digital Discipline Havard Mela reveals the secret to finding balance with digital use in the modern world Mela combines the knowledge of how we are impacted by technology with applicable steps to finding purpose and cultivating the discipline required to build a life centered around one s core values Digital Discipline is for anyone ready to save time and break online addictions It covers how to spend time online in a meaningful way without getting lost in distractions Those who put Digital Discipline into practice will experience a positive impact on their physical health through increased activity levels better mental health through the implementation of mindful techniques strengthened relationships with friends and family more time and energy to pursue what matters the most And much more Digital Discipline will give you the tools and strategies to be more disciplined and less distracted leading to a happier and more effective life **The SAGE Encyclopedia of the Internet** Barney Warf,2018-05-16 The SAGE Encyclopedia of the Internet addresses the many related topics pertaining to cyberspace email the World Wide Web and social media Entries will range from popular topics such as Alibaba and YouTube to important current controversies such as Net Neutrality and cyberterrorism *The Facebook Guide for People Over 50* Paul McFedries,2011-06-16 The Facebook guide for people over 50 People over 50 are the fastest growing segment of the Facebook population and they have some unique interests and concerns This one of a kind guide addresses issues of specific interest to older generations helping them create a profile connect with old friends and relatives communicate with others and maintain their safety online If you re among this group you ll find these tips and instructions will give you confidence and help you enjoy all that Facebook has to offer People over 50 are joining Facebook in record numbers an estimated 6 million such people are Facebook users This Facebook guide for people over 50 focuses on topics of particular interest to older generations such as finding and connecting with relatives friends from the past former colleagues and classmates Helps you set up your profile find old and new friends communicate with others through the site and protect your privacy Facebook insiders contribute plenty of tips and ideas to make the Facebook experience more fulfilling If you re over 50 and already on Facebook or thinking of joining The Facebook Guide For People Over 50 can help you make the most of the experience
