The Disconnect Roisin Kiberd, 2021-03-04 We all live online now but what does that mean in IRL How do strange subcultures on reddit affect our local shopping centres what do night gyms owe to Twitter and where can we really go to get some decent sleep Our every move online is watched but can we see ourselves In these wide ranging witty essays Roisin Kiberd offers immersive insight into the strange worlds habits and people who have grown up with the internet and shows the way our world is changing to fit the online fever dream Unsettling clear sighted and perversely fun she traces the lines between Netflix and nap hotels vaporwave music and camgirls self optimisation and insomnia dating apps and a grand unified theory of Monster Energy Drinks As well as holding up the zeitgeist for scrutiny she turns an equally frank eye on her own life online and asks what we have gained what we have lost and what we have given willingly away in exchange for this connected world

Car PC Hacks Damien Stolarz, 2005-07-27 A car PC or carputer is a car tricked out with electronics for playing radio music and DVD movies connecting to the Internet navigating and tracking with satellite taking photos and any electronic gadget a person wants in a car All these devices are managed and controlled through a single screen or interface The only place car PC enthusiasts can go for advice tips and tools is a handful of hard to find Web sites until now Car PC Hacks is your guide into the car PC revolution Packing MP3 players handheld devices computers and video on demand systems gives you a pile too heavy to carry But add a car and put them together you ve got a powerful and mobile multimedia center requiring no lifting The next time you give kids a lift you won t hear Are we there yet Instead expect We re there already as they won t want to leave the car while playing video games from multiple consoles Car PC Hacks is the first book available to introduce and entrench you into this hot new market You can count on the book because it hails from O Reilly a trusted resource for technical books Expect innovation useful tools and fun experiments that you ve come to expect from O Reilly s Hacks Series Maybe you ve hacked computers and gadgets and now you re ready to take it to your car If hacking is new and you would like to mix cars and computers this

book gets you started with its introduction to the basics of car electrical systems Even when you re unclear on the difference between amps and watts expect a clear explanation along with real life examples to get on track Whether you re venturing into car PC for the first time or an experienced hobbyist hop in the book for a joy ride **How to Be Cross Eyed** Jonathan Roseland,2019-01-01 There s that moment when you meet a new person and you can tell that they are just a bit disoriented by your weirdness You feel that familiar little pang of embarrassment and shame because you know how weird you must look to them You re physically imperfect So am I I know that moment as well as you do But you don t have to be cross eyed or have a conspicuous physical imperfection to enjoy this book Really thriving requires an uncommon set of barely legal Biohacking tools social dynamics strategies from the fringes of polite society and rapid mindset transformation technologies which this lifehacking manifesto delves deeply into This book is especially for that one or two percent of the population who have a glaring physical defect Which I fall into I m cross eyed with Strabismus if you re reading this perhaps you are too There are certainly people out there with more conspicuous physical imperfections who have it worse than I do However the eyes are the window to the soul they really are a part of nearly every important human interaction Not having normal eyes has been a disadvantage that I ve needed to develop a specific set of skills and life strategies to overcome I was talking to my lovely fianc e about this book and she asked me if the purpose of the book was to help the self esteem of people with physical imperfections Not really This book is more about the lifehacks that I ve employed over the past 10 years strategies methods and tools that really work to help you overcome the challenge of a physical imperfection and thrive These things will likely improve your self esteem but they will also work if you have low self esteem or no self esteem or too much self esteem as I m sometimes accused of having Self esteem is not my focus My focus is on things that work This is not your typical self help book I ve had a pretty interesting life I ve seduced a politician s daughter in Medellin Colombia and I hung out with spies in Kyiv Ukraine I ve almost died underwater twice I participated in a bank robbery and I lost my virginity to a spy yes really From having sex in a brand new Maserati and getting in high speed car chases to being deported from South American countries and representing the US Presidential candidate Donald J Trump I ve found the happiness that I didn t give a damn about and realized my dream of becoming an adventuring philosopher I m not a theorist in the business of making generalizations The tactics and tools presented here are for rigorous practitioners ethical hedonists and open minded self experimenters I may sound like quite the pompous pontificator but I ll offer no apologies because storytelling is the best way to impart the unconventional mindset that saved me from mediocrity and the biohacks that enabled me to defy my selfish genes If you re bored of the tired problem generalization platitude strategy formula that most self help books follow you ll enjoy this memoir of adventures failures and unexpected successes across three continents I ll share with you some powerful tools for transformation biohacking smart drugs flowstate red pill mindset and more with which I ve managed to pack several lifetimes worth of peak experiences into a single decade The Selected Works of Eric Partridge Eric Partridge,2021-07-14
