The Crickets' Serenade Carolita Blythe, 2006-05-01 Souci Alexander a poor young woman from the mountainous interior of Jamaica agrees to a platonic marriage in order to further an ambitious politician's career. He is running for prime minister and believes that his mixed race background is becoming an issue with his predominantly black constituency. The Crickets Serenade follows Souci from her initial days of joy as she becomes a member of Caribbean society to the hopelessness she experiences when the love she develops for the man she has married is not reciprocated. In desperation she tries to learn more about her husband by delving into his past. What she discovers is a man whose controlled and politic exterior contrasts sharply with a stormy passionate inner being that is capable of unspeakable horror.

U.S. News & World Report, 1983 **Ancient Near Eastern Texts Relating to the Old Testament with Supplement** James B. Pritchard, 2016-03-30 This anthology brought together the most important historical, legal, mythological, liturgical and secular texts of the ancient Near East with the purpose of providing a rich contextual base for understanding the people, cultures and literature of the Old Testament. A scholar of religious thought and biblical archaeology, James Pritchard recruited the foremost linguists, historians and archaeologists to select and translate the texts. The goal in his words was a better understanding of the likenesses and differences which existed between Israel and the surrounding cultures. Before the publication of these volumes, students of the Old Testament found themselves having to search out scattered books and journals in various languages. This anthology brought these invaluable documents together in one place and in one language, thereby expanding the meaning and significance of the Bible for generations of students and readers. As one reviewer put it: "This great volume is one of the most notable to have appeared in the field of Old Testament scholarship this century." Princeton published a follow up companion volume *The Ancient Near East in Pictures Relating to the Old Testament* 1954.

and later a one volume abridgment of the two The Ancient Near East An Anthology of Texts and Pictures 1958 The continued popularity of this work in its various forms demonstrates that anthologies have a very important role to play in education and in the mission of a university press Citizen Airman ,1987 **Daily Graphic** Henry Ofori,1969-03-06
