The Sex Traffickers Neil Pollack, 2021-10-27 **REVIEWS OF THE SEX TRAFFICKERS** KIRKUS REVIEWS A dynamic cast ignites this absorbing police procedural **BLUE INK REVIEW** The Sex Traffickers is a compelling read with a particularly satisfying ending **FOREWORD REVIEWS** In this tension filled story there are surprises and revelations involved throughout Morgan Kelly is a young female detective hiding dark secrets She fits right in with the current cultural climate having always been a representative of the MeToo movement even before the movement existed Due to her traumatic past she works with victims of sex trafficking With the help of her partner Ben Chang Morgan s investigation into the murders of several young women in New York City s Chinatown leads to gangs like the Yakuza and Triads Both of these gangs participate in sex trafficking and

Morgan vows to take them down Her burning desire to free young women from their captors invokes thoughts of vigilantism against unpunished offenders How far will this young detective go Will her need for vengeance make Morgan turn her back on legal avenues or is there another way to bring villains to justice The Internet Is Not the Answer Andrew Keen, 2018-09-01 The renowned Internet commentator and author of *How to Fix the Future* exposes the greed egotism and narcissism that fuels the tech world Chicago Tribune The digital revolution has contributed to the world in many positive ways but we are less aware of the Internet's deeply negative effects The Internet Is Not the Answer by longtime Internet skeptic Andrew Keen offers a comprehensive look at what the Internet is doing to our lives The book traces the technological and economic history of the Internet from its founding in the 1960s through the rise of big data companies to the increasing attempts to monetize almost every human activity In this sharp witty narrative informed by the work of other writers reporters and academics as well as his own research and interviews Keen shows us the tech world warts and all Startling and important The Internet Is Not the Answer is a big picture look at what the Internet is doing to our society and an investigation of what we can do to try to make sure the decisions we are making about the reconfiguring of our world do not lead to unpleasant unforeseen aftershocks Andrew Keen has written a very powerful and daring manifesto questioning whether the Internet lives up to its own espoused values He is not an opponent of Internet culture he is its conscience and must be heard Po Bronson 1 New York Times bestselling author Demystifying Global Macroeconomics John E. Marthinsen, 2020-02-10 Demystifying Global Macroeconomics DGM provides readers with a practical working use of international macroeconomics For serious business and political leaders understanding the global interconnections in economic and financial markets is crucial for making informed and well timed decisions DGM takes the mystery out of seemingly complex economic interactions by providing an easy to understand framework within which to analyze the effects of economic social and political shocks to a nation's economy John E Marthinsen integrates the three major macroeconomic sectors which are the credit market goods and services market and foreign exchange market The author provides the reader with contemporary examples that virtually leap off the front pages of our daily news reports and confront business managers and politicians with choices and decisions to make For example DGM shows how to use macroeconomic tools and a global framework to analyze the effects of U S tariffs on China and China's tariffs on the United States Infrastructure spending Speculative capital outflows from nations under stress such as Argentina and Turkey and speculative capital inflows into safe haven countries such as Switzerland Demonetization in India Successfully fighting the opioid abuse problem in the United States Border adjustment tax Monetary policies Fiscal policies Marthinsen keeps readers visually engaged with the strategic use of figures tables charts and illustrative exhibits Demystifying Global Macroeconomics emphasizes the interaction among markets and equips readers with a macroeconomic perspective that will last and be used for years If you are adopting this book for a teaching course please contact Stefan Giesen degruyter.com to request additional instructional material

Message Not Received Phil Simon, 2015-03-02 Get your message across the right way with clear communication

Message Not Received provides the tools and techniques that make an effective writer and public speaker. Particularly on topics related to data and technology, effective communication can present a challenge in business settings. This book shows readers how those challenges can be overcome and how to keep the message from getting lost in the face of mismatched levels of knowledge, various delivery media, and the library of jargon that too often serves as a substitute for real, meaningful language. Coverage includes idea crystallization, the rapidly changing business environment, Kurzweil's law of accelerating change, and our increasing inability to understand what we are saying to each other. Rich with visuals including diagrams, slides, graphs, charts, and infographics, this guide provides accessible information and actionable guidance toward more effectively conveying the message. Today, few professionals can ignore the tsunami of technology that permeates their lives, advancing far more rapidly than most of us can handle. As a result, too many people think that successful speaking means using buzzwords, jargon, and invented words that sound professional but don't actually communicate meaning. This book provides a path through the noise, helping readers get their message across succinctly, efficiently, and effectively. Adapt your approach for more effective communication. Learn the critical skill of crystallizing ideas. Tailor your style to the method of delivery. Ensure that your message is heard, understood, and internalized. It doesn't matter whether you're pitching to a venture capitalist, explaining daily challenges to a non-tech manager, or speaking to hundreds of people. Jargon-filled word salad uses a lot of words to say very little. Better communication requires a different approach, and Message Not Received gives you a roadmap to more effective speaking and writing for any audience or medium.

Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Snapchat Cash App This Month books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Snapchat Cash App This Month books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Snapchat Cash App This Month books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement.
