Budget Happy Lisa Woodley, 2023-02-28 Hi I m Lisa and I want to give the word budget a makeover For most people the very thought of budgeting makes them want to run a mile It suggests restriction going without and only buying the cheapest of the cheap But at its best budgeting can mean making smart decisions planning your spending carefully and having plenty left over for treats Growing up I absorbed so many toxic ideas that when I became an adult I started modelling unhealthy financial behaviours myself living paycheck to paycheck with little regard for saving During the December 2021 lockdown I came across the phenomenon of cash stuffing on TikTok where you withdraw your spending money weekly or monthly and divvy it up into sections of a binder With nothing to lose and knowing I needed to change my habits I ordered my binder and started portioning out my notes And less than a year later more than 188 000 of you are on this journey with me at mumwhobudgets I want to help each and every one of you to get on top of your spending and feel more confident with money In this book I will share my personal journey with you to show how important the way we talk about and behave with money is explore how to put together a budget that is realistic for you and your family break down the cash stuffing method in detail to arm you with all the tools you need to get started So what are you waiting for Dive in and open up that binder because it s time to BUDGET HAPPY READERS LOVE BUDGET HAPPY It will get you on the right track to help with money goals A great guide into how to get started with budgeting Hands down the best budget book I have read Amazing book only wish I bought it sooner Would recommend to everyone Has really changed how I spend my money already

EVIL MONEY JEREMY TUBBS, 2024-12-07 n this book I delve deep into the complexities of money its power its potential and its pitfalls I explore the idea that money is neither inherently good nor bad rather it is the way we use it that determines its impact Through personal reflection and a look at both the positive and negative sides of money I aim to give you a comprehensive understanding of how money shapes our lives our societies and our world You ll find stories of how money can be a force for good helping people create legacies support families and build

better futures But I also don't shy away from the reality that money can be used for evil causing harm destruction and inequality This dual nature of money is what makes it such a powerful tool but also a dangerous one if not handled with care The goal of this book is not to give you all the answers but to spark a conversation and encourage you to think critically about your own relationship with money How can you use money to benefit others and build something meaningful How do we navigate the world where money is essential yet it can also corrupt Along the way I share my own experiences including how I used money from my books and entertainment ventures to create something that matters a foundation that gives free clothes to women and children I hope that by sharing my journey you'll be inspired to use money as a tool to uplift others and create positive change in your own life This is a book for anyone who wants to think differently about money Whether you view it as a necessary evil or a tool for good I encourage you to explore its full potential Let this book challenge the way you see money and empower you to use it consciously for the benefit of yourself and the world around you If you've enjoyed this journey I invite you to dive deeper into my other works You can find my books on Amazon and Google Play each one designed to help you think grow and discover new possibilities
