Visit to the zoo

I recently went on a visit to the zoo, and it was so much fun! I saw all sorts of amazing animals, including lions, giraffes, and monkeys. My favorite part was seeing the elephants, because they were so big and majestic. I also got to see a baby elephant, and it was so cute and playful. I also saw some flamingos, and they were so colorful and graceful. The zoo was a great place to learn about all the different animals and see them up close. I can't wait to go back and see even more amazing creatures.

Reading Comprehension How To Setup:

Reading Comprehension in Educational Settings José A. León, Inmaculada Escudero, 2017-10-19 Text comprehension is a critical area of psychological and educational research and has particular relevance to educational context. The general aim of this international volume *Reading Comprehension in Educational Settings* is to encourage excellence in research and to bring together teachers, students, researchers, and other professionals from different disciplines e.g. psychology, linguistics, neuroscience, education, information technology, and communication, as well as all those members of the general public who have an interest in the study of reading. The specific objectives of the different chapters in this volume are to analyze existing methods of studying the various aspects of reading comprehension, disseminate results already obtained by research groups working in the field, and debate current and future trends in the study of reading.

What Every Principal Needs to Know to Create Equitable and Excellent Schools George Theoharis, Jeffrey S. Brooks, 2015-04-25 School leaders who succeed at creating a high-achieving learning community must also be committed to creating an equitable environment for all students. In this new book, key scholars across the content areas show how to put into practice a commitment to equity and excellence across the Pre-K12 spectrum. Readers learn directly from experts in each of the content domains: literacy, mathematics, science, social studies, music, early childhood, special education, English language learners, world languages, and physical education. How a commitment to social justice and equity can be grounded in core subject areas, why each has a place in the school, and what they need to know and do in each subject area. This book is a critical instructional leadership resource for new and veteran principals who want to see all students succeed. Contributors: Antonio J. Castro, Julie Causton, George Theoharis, Virginia Collier, Katherine Delaney, Catherine Ennis, Virginia Goatley, Beth Graue, Rochelle Gutierrez, Kathleen A.
