Reproducible Copies of Federal Tax Forms and Instructions United States Internal Revenue Service, 2014 **Your Federal Income Tax for Individuals**, 2015 **2020 Guide to Small Business Tax Planning** Dr. Charles E. Hall PhD, 2020-07-23. Federal and state tax laws are an integral part of business ventures, whether the business is a small sole proprietorship, partnership, or corporate entity. No matter if we like it or not, government is a business partner which can be a burden as well as a useful tool for business growth. The United States Tax Code is very complicated. It is written as the Internal Revenue Code, which is Title 26 of the United States Code. The Internal Revenue Code comprises some 10,000 plus pages and is further defined in the Internal Revenue Regulations, which is written in some 10,000,000 plus pages. The intent of this book is to provide general guidance to small business. The book's chapters provide accounting definitions, regulations, and explanation in detail how business is created from its inception and what small business must do in order to be successful. Planning techniques for ongoing business ventures as well as retirement planning vehicles are explained. The book takes the business owner from the first day he or she opens their business through the closure of the business. If the business owner is subjected to an examination by IRS, this book outlines the functions, procedures, rules, and regulations that taxpayers and the IRS must follow.
