Act Practice Stagram Picks Near Me:

Raising Wise Kids in a Sexually Broken World Laurie Krieg, 2026-01-13 This book is a gift to all parents trying to navigate the complexity of raising children in today's world. I wish I could make this book required reading for every parent. Christine Caine, founder of A21 and Propel Women: How can you raise your children to not just survive but to thrive in a world filled with complex and confusing conversations about gender, sexuality, and relationships? Navigating the birds and bees is challenging enough for parents. Kids today are faced with all sorts of complex issues, and often at a very early age. When is it too early to talk about sex? How can we begin to view the gender conversation? How do we help our kids not to approach the world fearfully but to walk into it confidently, even in the world's most controversial spaces? Laurie and Matt Krieg believe that as a Christian parent, you can approach sexual topics with confidence and grace by laying a solid gospel-centered foundation from early childhood onward. *Raising Wise Kids in a Sexually Broken World* offers you theological guidance, parenting principles, and age-appropriate insights for addressing complex issues in healthy ways, issues like marriage and singleness, God's design for sex, same-sex attraction, and sexual orientation, gender identity, sexual abuse, and pornography. In *Raising Wise Kids in a Sexually Broken World*, you'll learn to present God's purpose for both marriage and singleness. Explain God's design for sex with clarity. Discuss gender identity from a biblical perspective. Protect your children from sexual abuse. Prevent porn addiction. Promote online safeguards. *Raising Wise Kids in a Sexually Broken World* is a timely and essential resource for today's Christian parents. Rather than retreating in fear, you can respond to the brokenness of the world with the goodness, truth, and beauty of the gospel and help your kids to do the same. Cast a gospel vision for your kids so that no matter how they experience sexual brokenness within them or around them, they have the tools they need to choose the way of Jesus, no matter what.

Raising the Resistance Farrah Alexander, 2020-08-11 A sensible guide for mothers looking to incorporate activism in their parenting to raise empathetic, politically aware children. Acknowledging the dual role of mother and citizen, *Scary Mommy* writer and mom Farrah Alexander provides empowerment and guidance for the modern progressive mother. Mothers are a force to be reckoned with. And after the Women's March and midterm elections, moms have surely secured their spot in today's feminist movement. But for those who aren't ready to make a bid for the presidency, the way forward can seem daunting and unclear. Whether it's correcting a misinformed family member about gender equality or running for political office, this bold and accessible primer presents active parents with different types of activism they can incorporate into their parenting, no matter how big or small. With practical guidance, political commentary, and inspiration, this feminist manifesto for moms tackles problems from political representation to sexual misconduct. It doesn't just validate present-day feminist frustration; it also offers practical ways to channel it into solutions. Most importantly, it proves that by planting seeds of empathy and political awareness in their children, moms can raise their children to be change makers. They can raise the resistance. Inside learn: Self-care techniques for badass moms. Strategies for becoming a
