Sarah Hartshorne, 2025-07-08 In this revealing memoir a fan favorite America's Next Top Model contestant pulls back the curtain on the iconic but deeply flawed reality competition show exposing the manipulation and chaos behind the scenes A delicious hilariously relatable behind the scenes memoir A page turning lark turns into an internal rather than external makeover Maria Bamford New York Times bestselling author of *Sure I'll Join Your Cult* Tyra Banks's America's Next Top Model was a cultural phenomenon with more than six million weekly viewers at its peak Over its fifteen year run the show captured the glitz of the early aughts as well as its most toxic attitudes from the glamorous but often questionable photo shoots to the cutting feedback from its highly respected if out of touch judges But as its fans have grown up and as the next generation discovers ANTM they've also begun to reckon with the enduring ways that the show has affected their body image and self esteem Sarah Hartshorne would have never guessed that her first foray into modeling would start with being blindfolded alongside three dozen other girls on a charter bus winding through Puerto Rico In *You Wanna Be On Top Cycle 9* s only plus size contestant takes us into the heart of the unforgiving auditions the labyrinthian cruise ship the girls weren't allowed to enjoy and of course the L A model house teeming with hidden cameras and elaborately constructed tensions As the season unfolds and the producers interview questions about her weight and her opinions of the other girls become increasingly pointed Hartshorne uncovers the destabilizing methods employed to film reality Drawing on her experience as well as interviews with other contestants and production crew Hartshorne answers the questions you always wanted to ask

Guide to Diversity, Equity, and Inclusion in the Music Industry Andrae Lamont Alexander, 2025-10-27 This book is a guide to diversity equity and inclusion in the American music industry from the perspectives of different segments of society African American Hispanic Latino Indigenous Women Asian LGBTQ Mental Illness Disorder and Physically Disabled Different Socioeconomic Status and Religion With the music industry's entrepreneurial activities being that of cultural monetization analysis of the work of Laura Mulvey and her concept of the Male Gaze specifically the heterosexual white male suggests that the societal lens used to view all segments of society are in the hands of a group that does not understand the historical nuances that shape the culture and current actions of each group represented and the current lived experiences of each segment in society whose culture is monetized This showcases a gap in understanding that presents an opportunity for

deep cultural appreciation once the individual perspectives of each group are added to the collective mind This volume will be unique in that it will provide an overview of each group s history in America their current societal and music industry state and possible solutions with care taken to give voice to scholars from each community An example of the need for this work comes from the African American community where rappers have been consistently jailed for rap lyrics since the 1980s based on the assumption that rap was started by gang members This shows the power of untrue societal assumptions in affecting laws that negatively affect a group even though they are based on untruths that are perpetuated by executives focusing mainly on the bottom line of their company control of culture and social learning through media Showing a lack of artistic autonomy artists who sign with major labels often protest the content they are asked to create and release but must comply or remain in predatory contracts Outside of sociology and media studies which give broad overviews of each segment there is no book that presents readers with historical documentation a view of each group from multiple vantage points internal and external and how their history and social perceptions intersect in the music industry system to create crystalized pieces of culture that are filtered through the lens of Capitalism
