Typically more than half the top rap songs in the country are the work of Southern artists In a world still stuck in the East West coast paradigm of the 90s Southern hip hop has dominated the genre and defined the culture for years And the South s leading lights most notably OutKast Timbaland and more recently crunk superstars like the Ying Yang Twins and Lil Jon have expanded the parameters of hip hop Third Coast is the first book to deal with Southern hip hop as a matter of cultural history and the first to explain the character and significance of down South rapping to fans as well as outsiders It tells the story of recent hip hop marking how far the music has come sonically and culturally since its well documented New York centered early years *Living out of Bounds* Steven J. Overman,2008-11-30 Despite some enormous differences in salary among professional athletes most aspects of their daily lives remain surprisingly constant across sports and income levels In *Living out of Bounds* author Steven J Overman mines a wide array of sports biographies autobiographies memoirs and diaries to

construct a representative picture of the athlete's life. In the course of the work a portrait emerges that transcends the individual lives lived. The shared experiences of devoted training of travel and hotels and of tension within and beyond the clubhouse or gym force us to appreciate the often oppressive reality of the sporting life at the same time that the individual lives lived also provide us with a glimpse of the rewards that make sports so compelling to audiences and athletes across America.

Tony Parker: Beyond All of My Dreams Tony Parker, 2020-11-17 I owe everything to basketball. It was my favorite pastime and my greatest passion. It became my profession and I became part of its history, maybe even the history of sports in general. I never could have imagined such a destiny, Tony Parker. For the first time in the English language the beloved Spurs point guard opens up about his life and career in the NBA on the international stage and beyond. By the time he was three years old, Tony Parker was already dribbling a basketball in his hometown of Gravelines in France. In his bedroom surrounded by posters of his idol Michael Jordan, he imagined himself making it to the NBA and leading his team to a championship. Everyone told him to forget it. He was too short, too skinny, too slow. Besides, no NBA team would ever turn its fortunes over to a point guard from Europe. After a 20-year professional career, four NBA championships and an NBA Finals MVP award, it's safe to say Tony Parker has succeeded beyond all of his dreams. This candid conversational autobiography takes fans on a whirlwind tour which includes Parker's early life in France, his years in Texas alongside Gregg Popovich and Tim Duncan, and his time on the red carpet as part of one of Hollywood's most glamorous couples. This is an essential read for all basketball fans and anyone who believes in following their dreams.

Breaking Boundaries Gemma Blythe, 2023-06-30 One of the best poly romances I've ever read. Goodreads review: The beach isn't the only thing heating up on this couple's vacation. My life is pretty perfect: a house, three kids, and an amazing husband. Nothing could convince me to risk everything I've built with Rafe. Until we go on a couple's vacation with our best friends and it turns out our beach bungalow has unexpectedly thin walls and Darcy and Alec are definitely taking this trip as an opportunity to ah, reconnect. The more I hear of Darcy in the room next door, the more I find myself wanting to be there, wanting to be the one that's giving her so much pleasure. And when I confess my feelings to Rafe, I'm shocked to learn he's having the same thoughts about Alec. There's just one problem: we've always been monogamous, and so have they. But what if I kissed Darcy just once? What if Rafe kissed Alec? It could simply lead to a vacation we'll never forget, or it could change all of our lives forever. *Breaking Boundaries* is a high-heat bi-romance that explores intimacy, friendship, and what happens when the two come together. As it is the first in a four-book series, while this book ends with each married couple happily together, please keep in mind there is no happily ever after yet. Detailed content warnings are available on the author's website.
