New York Magazine ,1984-02-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **NHL Official Guide and Record Book 2008** Dan Diamond,National Hockey League,2007-09

When the NHL Invaded Japan Steve Currier,2022-07-08 When the NHL announced in early 1976 that its two worst teams the Washington Capitals and Kansas City Scouts would travel to Japan for a four game exhibition series dubbed the Coca Cola Bottlers Cup fans and media were baffled The Capitals and the Scouts were both expansion teams with a combined 46 wins 236 losses and 38 ties in their first two seasons stats made more dismal when considering seven of those wins were against each other Yet lagging so hopelessly behind the rest of the NHL they were perfect for a one off event on the other side of the globe The series was an eye opening success Players skated on an Olympic swimming pool ringed with rickety boards hung with fishing nets that boomeranged pucks into their faces as curious Japanese fans gasped at the gap toothed Canadians wrestling on the ice Filled with rare photos and player recollections this book tells the story of how two league doormats became hockey heroes half way around the world **Hockey Night in Canada** Michael McKinley,2012-10-30 Hockey Night in Canada has reached a great age and for television practically an immortal one because it made itself into something that Canada couldn t live without It is this surge of emotion that connected us all each week and which connects us through the years to now Hockey Night in Canada didn t just aim a camera at a game and observe what happened it actively gave the country a prism through which it could see itself and its evolving diversity We look where the eye of Hockey Night in Canada looks and it looks at us We remember what it remembers We feel what it feels That is the dynamic that has made the show much more than a long lived TV success it is a cultural juggernaut Ask fans where they saw their first hockey game and chances are it was on Hockey Night in Canada Ask the players male or female what first got them into the rink and the answer will be the same they wanted to be like the players on Hockey Night in Canada **The Rough Guide to**

Moscow Rough Guides,2009-02-02 The Rough Guide to Moscow is the definitive guide to one of Europe s most fascinating and rewarding cities The full colour introduction covers the awe inspiring Kremlin and The Red Square and includes the essential list of what not to miss There are lively explorations of all the sights from Moscow s lavish palaces to world class museums as well as detailed accounts of Russian history and politics that have formed this intriguing city You ll find two full colour sections that highlight the New Moscow Style contemporary art design fashion galleries boutiques bars and clubs and the magnificent art deco metro famous for its arts murals mosaics and ornate chandeliers With updated and easy to use maps expanded listings of nightlife restaurants and hotels in Moscow for all budgets The Rough Guide to Moscow is the must have
