unique and captivating view of the fastest game on Earth The Down Goes Brown History of the NHL Sean McIndoe,2018-10-30 Sean McIndoe of Down Goes Brown one of hockey s favourite and funniest writers takes aim at the game s most memorable moments especially if they re memorable for the wrong reasons in this warts and all history of the NHL The NHL is indisputably weird One moment you re in awe of the speed skill and intensity that define the sport shaking your head as a player makes an impossible play or shatters a longstanding record or sobs into his first Stanley Cup The next everyone s wearing earmuffs Mr Rogers has shown up and guys in yellow raincoats are officiating playoff games while everyone tries to figure out where the league president went That s just life in the NHL a league that often can t seem to get out of its own way No matter how long you ve been a hockey fan you know that sinking feeling that maybe just maybe some of the people in charge here don t actually know what they re doing And at some point you ve probably wondered Has it always been this way The short answer is yes As for the longer answer well that s this book In this fun irreverent and fact filled history Sean McIndoe relates the flip side to the National Hockey League s storied past His obsessively detailed memory combines with his keen sense for the absurdities that make you shake your head at the league and yet fanatically love the game allowing you to laugh even when your team is the butt of the joke and as a life long Leafs fan McIndoe takes the brunt of some of his own best zingers The Down Goes Brown History of the NHL is the weird and wonderful league s story told as only Sean McIndoe can **Billboard** ,2005-01-22 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Sports in America** Robert Jacobson,2006 Provides information on sports in the United States covering such topics as sports and the media professional sports college and high school sports and sports and gambling *When the NHL Invaded Japan* Steve Currier,2022-07-08 When the NHL announced in early 1976 that its two worst teams the Washington Capitals and Kansas City Scouts would travel to Japan for a four game exhibition series dubbed the Coca Cola Bottlers Cup fans and media were baffled The Capitals and the Scouts were both expansion teams with a combined 46 wins 236 losses and 38 ties in their first two seasons stats made more dismal when considering seven of those wins were against each other Yet lagging so hopelessly behind the rest of the NHL they were perfect for a one off event on the other side of the globe The series was an eye opening success Players skated on an Olympic swimming pool ringed with rickety boards hung with fishing nets that boomeranged pucks into their faces as curious Japanese fans gasped at the gap toothed Canadians wrestling on the ice Filled with rare photos and player recollections this book tells the story of how two league doormats became hockey heroes half way around the world 100 Things Senators Fans Should Know & Do Before They Die Chris Stevenson,2018-10-02 Most Ottawa Senators fans have attended a game at the Canadian Tire Centre seen highlights of a young Daniel Alfredsson and remember exactly where they were when the team reached the Stanley Cup Final in 2007 But

Robertson, Carl T. Madden, 2024-06-06 The quarter century comprising the Original Six years of the National Hockey League is often fondly discussed by the sport s scholarly fans However one surprisingly underappreciated jewel from that era is the 1951 Stanley Cup final series between the Toronto Maple Leafs and the Montreal Canadiens It provided something never seen before in the history of the NHL and has not been seen since every one of the five games required a dramatic sudden death overtime period to determine a winner This book takes an in depth look at this exciting conclusion to the 1950 51 NHL season as well as an examination of the two playoff semifinal series and a general overview of the goings on from the 210 game regular season featuring many amusing anecdotes As an added bonus a special chapter discusses the short life baffling disappearance and untimely death of Toronto defenseman Bill Barilko just four months after he notched the Cup winning tally in April Also examined is the recent controversy about who really possesses the historic puck with which Barilko scored his famous goal **Guardians of the Goal** George Grimm, 2019-10-01 A history of Rangers goalies through the ages New York Rangers fans have always loved their goaltenders and throughout their history the Blueshirts have been blessed with some of the very best in the game Through the first nine plus decades of their existence eighty eight men from Canada the United States and Europe have toiled between the pipes at Madison Square Garden They all shared the same responsibility yet each brought their own style personality character and idiosyncrasies to the position and provided unique memories for those of us who watched them In

Guardians of the Goal each one of these brave men is discussed in chronological order while providing an overview of their era and the general managers and coaches they played for Such players highlighted in this book include Mike Richter Ed Giacomin John Vanbiesbrouck Henrik Lundqvist Davey Kerr And many more Regardless of whether they were a franchise goalie a flash in the pan or an emergency fill in each of these Lone Rangers or as Steve Baker once called them The few the proud and the very busy have one thing in common they all tried their best to keep that little one inch by three inch piece of frozen vulcanized rubber out of the gaping twenty four square foot chasm behind them Some were more successful than others but as you will see although they may occasionally steal a game in most cases a goaltender is only as good as the team in front of him Guardians of the Goal is just that an ode to those Blueshirts who laid it out night in and night out leaving it all out on the ice for our Rangers

Connor McDavid Rob Soria,2017-04-01 Even before the Edmonton Oilers selected him as the first overall draft pick in 2015 it was clear that Connor McDavid was primed to become hockey s next sensation His electrifying speed vision and overall dominance invited comparisons to the generational talents of Sidney Crosby and Wayne Gretzky and it s no wonder McDavid was quickly named the youngest captain in NHL history after just his rookie season Now the young phenom is ready to bring the glory years back to Oil Country Providing a rare glimpse into McDavid s life and featuring dozens of full color photos Connor McDavid Hockey s Next Great One is a must have for Oilers fans and anyone who has marveled at No 97 s unparalleled play
