Flip the Script Oren Klaff, 2019-08-13 THE BESTSELLING AUTHOR OF PITCH ANYTHING IS BACK TO FLIP YOUR ENTIRE APPROACH TO PERSUASION Is there anything worse than a high pressure salesperson pushing you to say yes then sign on the dotted line before you're ready If there's one lesson Oren Klaff has learned over decades of pitching presenting and closing long shot high stakes deals it's that people are sick of being marketed and sold to Most of all they hate being told what to think The more you push them the more they resist What people love however is coming up with a great idea on their own even if it's the idea you were guiding them to have all along Often the only way to get someone to sign is to make them feel like they're smarter than you That's why Oren is throwing out the old playbook on persuasion Instead he'll show you a new approach that works on this simple insight Everyone trusts their own ideas If rather than pushing your idea on your buyer you can guide them to discover it on their own they'll believe it trust it and get excited about it Then they'll buy in and feel good about the chance to work with you That might sound easier said than done but Oren has taught thousands of people how to do it with a series of simple steps that anyone can follow in any situation And as you'll see in this book Oren has been in a lot of different situations He'll show you how he got a billionaire to take him seriously how he got a venture capital firm to cough up capital and how he made a skeptical Swiss banker see him as an expert in banking He'll even show you how to become so compelling that buyers are even more attracted to you than to your product These days it's not enough to make a great pitch To get attention create trust and close the deal you need to flip the script **Digital**
