Kiss Me Like You Mean It: Inspired By A True Story J.R. Rogue, 2018-03-22 My love is poison His kiss is mine The first time he saw me I was shattered glass and he was a shadow If I had stayed he would have just faded away It s strange how easy it is to tell our stories to a stranger s eyes The truth about Connor Stratford and I had always been a sad tale Over ten years of chasing tears lies vows and leaving Two people who never loved each other at the same time but couldn t let each other go Now here I was telling our story over drinks midday in an airport bar with my old diary clutched in my hand Telling some version of our story anyway I left him once with no goodbye Now I was returning home to give him what he needed to move on It s important It s what you re thinking I knew what his message meant sent in the middle of the night after I woke from a fever dream He was finally ready and so was I I just needed to finally give him the kiss he begged for The one that meant goodbye

Summary of Reminders of Him Alexander

Cooper, 2023-01-16 *Reminders of Him* A Comprehensive Summary *Reminders of Him* by Colleen Hoover was as of late conveyed and I understand there's been a lot of energy among her fans around the appearance of her freshest book What's more it's free on Kindle Unlimited to seek after a free starter Ensuing to getting *Verity* I didn't know whether her books were really a solid match for me but I've been in the disposition for some feeling as of late so I regularly Hoover's latest conveyance was on my radar I similarly comprehended that *Verity* was a more prominent measure of faint opinion which isn't really what I'm into which is perhaps why I didn't see the value in it Assists with recalling that *Him* seemed like it might be considerably more a misfortune and perhaps a bit sure which I understood I'd will undoubtedly bounce on board with *In Reminders of Him* Kenna has actually gotten away from prison for a heavy drinker driving disaster that achieved her darling Scotty's passing After the incident she'd learned she was pregnant and had gone to prison in a split second some time later By and by following five years she returns to town needing to see her young lady yet she ends up associating with Scotty's dearest friend who she hadn't met before then The contracted type of this review is that this book is a fair type of unequivocally the sort of book it's meaning to be Thusly if you want a misfortune y feeling you'll no doubt genuinely it A more extended out variation of this is to say that my overall impressions of this were all things considered sure Basically I found the central ardent plotline in it to be sweet and convincing I partook in that there was an incredible development to their relationship which felt sensible It helps that the piece and pacing are both solid which you'd expect from a pre-arranged maker like Hoover Exactly when I at first read the explanation I was a little stressed that this book would be all things considered a grouch and I think it successfully could've transformed into a semi-putting story in some unsuitable hands down In any case Hoover really buckles down of managing the tone of the novel so it feels energetic yet completely not exorbitantly troubled The male saint is an all-around traditional ardent legend but I liked that the principal individual of Kenna had a charming sensation of character which helped me with appreciating and root for their relationship Kenna is depicted as someone with a deplorable puberty achieving being someone in her more young years who wasn't really set up dressed somewhat provocatively and wasn't the sort of individual watchmen required their youngster to get back I adored her
