Goodreads Choice Near Me Warranty:

The History of Science Fiction and Its Toy Figurines Luigi Toiati, 2023-12-21 This eye opening book deserves a spot on the bookshelves of anyone who not only enjoys collecting but also has a great interest in all facets of the history of our hobby Toy Soldier Collector Science fiction as the name suggests is the combination of science and fantasy In addition to a literary form it also encompasses film TV comics toys and our beloved toy astronauts or other figures such as aliens monsters and other playable genres The term science fiction was coined by publisher Hugo Gernsback around the first decades of the last century to refer to the predominantly space adventures covered in his magazines Space invaded radio cinema TV and consequently for a long time toy figurines were predominantly space related later evolving into other themes This lavishly illustrated book covers both the history of literary science fiction following in the footsteps of contemporary official criticism and toy figurines inspired by science fiction You will also find several other themes such as the link between science fiction figures and cinema radio TV comics and more Luigi Toiati offers to both guide the reader on an often nostalgic walk through science fiction in all its various forms and to describe the figurines and brands associated with it **The Better Decision**

Pekka Hannula, 2024-08-22 How to live our life better and worse We ll get a lot of advice from our family and friends but they live their own lives We can listen but more important is to know how to advise yourself If you know yourself the thought is clear and even in a difficult situation the advice is best possible The Better Decision asks how we relate to matters affecting us our health work companion friends our own culture We make every day often even at night decisions related to these If they are better rather than worse we can say to ourselves that life suits us If you want to help your companion family member or a friend to make right decisions please give her him The Better Decision Remember to sign it Making Decisions When making decisions for life it s good to ask the right questions Relationships A bad sign in a relationship is not so much that partners argue but that they don t laugh together About the Author Pekka Hannula is the main author of The Better Decision He was a biologist for many years and has also written over 20 books which include Keys to Top Breeding Vol 1 3 Hannula is especially proud of the circulation of this series which sold successfully within 64 countries He is also a proud father of Saana who is now an A student of 18 years It was always his dream to share this new book with her as a legacy a memory of what they have accomplished together **The Homeschooling Parent Teaches MATH!** Kerridwen Mangala

McNamara, 2023-11-10 We all worry about our kids learning math Even if the kids are in school there s always a concern Sometimes it s about the kid s concern sometimes it s about their teacher s concern parent teacher or otherwise But a lot of the time it s about US It s about our own math phobias those fears dislikes or aversions that we picked up from our own math experiences and that we inadvertently pass on to our kids We don t want them to be afraid of math we know that limits their opportunities and makes their lives harder and costs them more money but we just can t help it This book is here to help you deal with your own math phobias and come to if not outright enjoy math to at least appreciate it and be able to convey it to

your kids without passing on the fear Kerridwen Mangala McNamara is NOT a math lover but she is a math appreciator and has worked through most of these issues herself Let her help you along your homeschooling journey and show you how to fight the Fear of Math monster so that it no longer intimidates you or your kids The Business of Writing Kim Iverson Headlee,2016-11-14 2022 Edition Have you written a book but don t know how to go about getting it published Have you published a book but are hunting for more ways to improve your bottom line Are you looking to distribute it in additional editions or sales channels If you have answered yes to any of these questions this is the book you have been looking for The Business of Writing Practical Insights for Independent Hybrid and Traditionally Published Authors is the go to guide for everyone wishing to jump start their writing careers Whether you write fiction nonfiction screenplays or poetry discover the answers to such questions as Do I really need to incorporate what flavor of company should I set up and how do I take the plunge How do I manage my writing expenses and taxes What is an ISBN where do I get one and how many will I need What is an imprint and how do I establish one for my books What decisions must I face in the prepublication phase Do I need to register my book s copyright and how do I accomplish it What about using other copyrighted materials How on earth do I condense my 100K word book to a 300 word description let alone a 20 word tagline How do I select the best keywords for my book What makes for a great cover and how can I get one What do I need to know about book formatting print as well as digital How can I turn my book into an audiobook How do I develop and refine my author brand How can I land invitations to speak at conferences and conventions I use several pseudonyms How do I manage them all What s an ARC A media kit A book trailer A blog tour Do I really need to start a blog Send out a newsletter Dive into social media Give away my books How do I price my book Should I pick one price or vary it Where are the best places to advertise my sale events How much is all of this going to cost me Don t feel overwhelmed by the publication and promotion process Let award winning critically acclaimed author Kim Iverson Headlee give you the practical wisdom you need to stay on task and perhaps even come out ahead **Good Housekeeping Magazine** ,2008 *Good Housekeeping* ,2008 **How to Write a Novel in 90 Days** Conrad Jones,2013-10-21 This concise guide tells you how to write a novel by using a systematic approach to writing This guide is written by an author not a guru A simple step by step breakdown of how to plan each day No fillers and no theory just the hard facts in a concise guide There are many guides about writing novels on the market but how many of them are written by prolific published authors The answer is not many How can anyone write a guide unless they have been through the writing process many times before The simple answer to this question is they can t because they cannot feed on their own actual experiences to help another writer to avoid the mistakes and pitfalls Most guides regurgitate information which they have picked up from creative writing books or sites How can they give you advice when they have never sat down and focused on creating a novel which will sell many times over Writing a novel is the same as any other task we undertake as individuals We have to learn how to do it in order to do it well When you first learn to drive you need lessons No one walks

into the kitchen and creates a gourmet dish on their first attempt If you want a system to apply to writing a book then you need to take advice from an author who has taken years to develop the process via experience *The Ulysses Delusion* Cecilia Konchar Farr,2016-04-08 Popular fiction follows literature professors wherever they go At coffee shops or out for drinks after faculty meetings or classes even at family reunions they are persistently pressed to talk about bestselling novels Questions immediately follow What do I mean when I say a book is good Why do contemporary novels like these conversations like these matter to professors of literature Shouldn't they be spending their time re-reading *The Great Gatsby* *The Ulysses Delusion* confronts these questions and answers their call for more engaged conversations about books Through topics like the Oprah's Book Club Harry Potter and Chick Lit Cecilia Konchar Farr explores the lively democratic and gendered history of novels in the US as a context for understanding how avid readers and literary professionals have come to assess them so differently *Writing Children's Books For Dummies* Lisa Rojany, Peter Economy,2022-05-10 Create the next very hungry caterpillar big red dog or cat in the hat with a hand from this trusted guide In *Writing Children's Books For Dummies* you'll learn what to write between Once upon a time and The End as you dive into chapters about getting started writing how to build great characters and how to design a dramatic plot On top of the technical writing advice you'll discover how talented illustrators work and how to find an agent The newest edition of this popular For Dummies title even shows you how to choose a publisher or self-publish and how to use social media and other marketing and PR to get the word out about your new masterpiece In the book you'll learn about The fundamentals of writing for children including common book formats and genres and the structure of the children's book market Creating a spellbinding story with scene description engaging dialogue and a child-friendly tone Polishing your story to a radiant shine with careful editing and rewriting Making the choice between a traditional publisher a hybrid publisher or self-publishing Using the most effective marketing and publicity techniques to get your book noticed Perfect for anyone who's ever dreamed of creating the next Ferdinand the Bull or Grinch *Writing Children's Books For Dummies* is an essential easy-to-read guide for budding children's authors everywhere **Fatal Witness** Robert Bryndza,2022-07-07 How do you find a killer who has destroyed all the evidence Detective Erika Foster is on a late night walk near her new house in Blackheath when she stumbles upon the brutal murder of Vicky Clarke a true crime podcaster Erika is assigned to the case and discovers that Vicky had been working on a new podcast episode about a sexual predator who preys on young female students around South London staking out his victims in their halls of residence before breaking in at the dead of night When Erika discovers that Vicky's notes and sound recordings were stolen from her flat at the time of her murder it leads her to believe that Vicky was close to unmasking the attacker and she was killed to guarantee her silence The case takes on a disturbing twist when the body of a young Bulgarian student doctor is discovered in the same building and this makes Erika question everything she thought she knew about Vicky With very little evidence the clock is ticking to find the killer before he strikes again PRAISE FOR ROBERT BRYNDZA You can't

help turning the pages hungrily to see what happens next THE TIMES Compelling at every turn as we follow the brilliantly drawn Detective Erika Foster in her relentless hunt for one of the most horrific villains in modern crime fiction Jeffery Deaver 1 internationally bestselling author So chilling with truly terrifying characters and a hard hitting storyline that is gripping from start to finish Rachel Abbott Amazon Charts bestselling author Twisty dark and layered with a protagonist you root for from page one M W Craven author of The Puppet Show A riveting page turner An astonishingly good plot with perfectly drawn characters and sharp detailed writing Robert Dugoni 1 Wall Street Journal bestselling author Robert Bryndza s characters are so vividly drawn even the slightest character and fully human and uniquely imperfect His plots are clever and original and cool and his sense of timing is excruciatingly flawless Augusten Burroughs New York Times bestselling author of Running with Scissors Fight Or Flight Samantha Young,2018-10-09 The universe is conspiring against Ava Breevort As if flying back to Phoenix to bury a childhood friend wasn t hell enough a cloud of volcanic ash traveling from overseas delayed her flight back home to Boston Her last ditch attempt to salvage the trip was thwarted by an arrogant sexy Scotsman who stole the last first classeat and over the course of their prolonged journey home landed right into her bed for the steamiest layover she s ever had And that s all it was until Caleb Scott shows up on her doorstep Caleb knows better than to question fate and when pure chance pulls Ava back into his orbit he takes full advantage For the next few days while he s stranded in Boston he s going to pull out all the stops to convince Ava they might have what it takes to go the distance
