This fourth edition of the bestselling text for all those working towards the Level 4 Certificate in Education and Training has been fully updated and tailored to meet the refreshed ETF Standards. It therefore provides an increased focus on subject pedagogy and covers information relating to a range of new and contemporary issues. It incorporates key information on reflective practice and study skills and provides full coverage of all the mandatory units. Accessible language is combined with a critical approach that clearly relates practical examples to the required underpinning theory. Specifically, this fourth edition takes into account the new Minimum Core, incorporates Digital Skills and the ETF EdTech Strategy includes a new end of chapter feature to develop evidence-informed practice. It recognises the need to provide better support and guidance to learners around gender, sexuality, racism, mental health and well-being, supports the revolution in online practices and implications for hybrid working and learning, reflects the escalating importance of the sustainability agenda, is suitable for use with all awarding organisations and HEIs, provides the depth and criticality to meet level 4 requirements. User-friendly, easy to read and covered a good range of material with good examples and case studies. Kerry Adam, South Staffordshire College. The study skills section is very good; it picks up on the main issues facing trainees in Education and Training contexts and ensures that the advice and guidance are directly relevant to these learners. Also good are the sections on teaching observations and progression. Paul G Daniels, Deane College. I will be recommending it for its simplicity as a core text for our new ITT introductory programme. Christian Beighton, Canterbury Christchurch.

A Pragmatic Guide to Low Intensity Psychological Therapy Elizabeth Ruth, James Spiers, 2023-05-17. With the rapidly growing demand for mental health care, there is a need for efficient and effective psychological treatment options. Low Intensity Psychological Therapy has become well established in the England Improving Access to Psychological Therapies (IAPT) programme as a beneficial and versatile treatment option for mild/moderate symptoms of depression and anxiety. *A Pragmatic Guide to Low Intensity Psychological Therapy: Care in High Volume* provides a guide to Low Intensity Psychological Therapy from the perspective of the Low Intensity Practitioner. This book describes the Low Intensity role as part of a multi-disciplinary approach to psychological care. The authors use a series of case vignettes, personal experience and current literature to help navigate the context of the role and its potential for ethical and safe expansion. Offers a practitioner perspective on the efficacy research of Low Intensity psychological interventions in adult populations with a focus on working with diversity. Aims to support Low Intensity Practitioners in developing competency within the role with a focus on reflective practice, supervision and personal wellbeing. Includes case vignettes and examples to explore the real-world implementation of Low Intensity interventions in group and individual settings, including the management of long-term physical health conditions. Explores the benefits and pitfalls of the current role of the Low Intensity psychological practitioner within the IAPT programme. Discusses the expansion of the Low Intensity psychological practice to international regions.
