Breaking Boundaries Gemma Blythe,2023-06-30 One of the best poly romances I ve ever read Goodreads review The beach isn t the only thing heating up on this couples vacation My life is pretty perfect a house three kids and an amazing husband Nothing could convince me to risk everything I ve built with Rafe Until we go on a couples vacation with our best friends and it turns out our beach bungalow has unexpectedly thin walls and Darcy and Alec are definitely taking this trip as an opportunity to ah reconnect The more I hear of Darcy in the room next door the more I find myself wanting to be there wanting to be the one that s giving her so much pleasure And when I confess my feelings to Rafe I m shocked to learn he s having the same thoughts about Alec There s just one problem we ve always been monogamous and so have they But what if I kissed Darcy just once What if Rafe kissed Alec It could simply lead to a vacation we ll never forget or it could change all of our lives forever Breaking Boundaries is a high heat bi romance that explores intimacy friendship and what happens when the two come together As it is the first in a four book series while this book ends with each married couple happily together please keep in mind there is no happily ever foursome yet Detailed content warnings are available on the author s website

Mindgames Roland Lazenby,2007-04-01 Mindgames follows the journey of Phil Jackson to the top of basketball s coaching hierarchy a rise that took him from obscurity in the Continental Basketball Association to nine championship rings in the NBA Along the way he turned multimillionaire players on to meditation transformed the Michael Jordan led Chicago Bulls from a one man show to a five man team of domination and after battling with Bulls management ended one dynasty to start another on the West Coast Sportswriter Roland Lazenby author of the bestselling *Blood on the Horns* reveals the fascinating story of Jackson s life from

his years with the New York Knicks under the legendary Red Holzman to his remarkable nine championships coaching first the Chicago Bulls and then the Los Angeles Lakers In Mindgames Lazenby compellingly portrays a man with a unique determination to control the competitive environment he inhabits A clear picture of the Jackson mystique emerges philosopher teacher manipulator counselor psychologist shaman champion master of mind games Covert Bob Delaney, Dave Scheiber, 2009-10-23 Featured on NPR and CNN In a riveting page turner NBA referee Bob Delaney reveals the clandestine life he led before becoming one of professional basketball's most respected referees In 1975 Delaney had spent only a year and a half as a New Jersey State Trooper when his superiors approached him with a tantalizing yet dangerous undercover assignment to infiltrate the Mob Delaney accepted and became Bobby Covert the president of Alamo Trucking a fully operational business used by law enforcement as flypaper for snagging crooks At the height of The Godfather era Delaney wore a wire and lived among wiseguys who modeled themselves on their on screen counterparts quoting lines from The Movie and boasting of how often they'd seen it Delaney even crossed paths with Joe Pistone the real life Donnie Brasco though neither knew the other was undercover knowing all the while that a single slip could get him killed Ultimately gathering enough evidence to convict 30 members of the Bruno and Genovese crime families Project Alpha was a success but Delaney struggled with post traumatic stress disorder and traces of Stockholm syndrome after getting too close to those he investigated Therapy helped him come to terms with all he'd endured during his three tense years undercover and once a college basketball star Delaney began officiating high school and intramural games as a way to rebuild his life eventually working his way up to the NBA where he has been a referee for more than two decades *Self-Insight* David Dunning, 2012-10-12 People base thousands of choices across a lifetime on the views they hold of their skill and moral character yet a growing body of research in psychology shows that such self views are often misguided or misinformed Anyone who has dealt with others in the classroom in the workplace in the medical office or on the therapist's couch has probably experienced people whose opinions of themselves depart from the objectively possible This book outlines some of the common errors that people make when they evaluate themselves It also describes the many psychological barriers some that people build by their own hand that prevent individuals from achieving self insight about their ability and character The first section of the book focuses on mistaken views of competence and explores why people often remain blissfully unaware of their incompetence and personality flaws The second section focuses on faulty views of character and explores why people tend to perceive they are more unique and special than they really are why people tend to possess inflated opinions of their moral fiber that are not matched by their deeds and why people fail to anticipate the impact that emotions have on their choices and actions The book will be of great interest to students and researchers in social personality and cognitive psychology but through the accessibility of its writing style it will also appeal to those outside of academic psychology with an interest in the psychological processes that lead to our self insight **Pittsburgh Sports Firsts** Alliance of Esteemed
