The Hockey Star Regret Aya Starr, 2025-10-15 When one night changes everything The next morning I woke up in a room I didn't recognize My head pounded my mouth dry and lying beside me Hayden Michaels The boy who had made my high school years a living hell Then the first week of class reveals the guy from that night is the campus hockey star who once humiliated her the cocky bully she swore to hate They're not supposed to fall for each other Scholarship student Coleen has one rule keep her head down and her heart locked But when she's faced with a dangerously jealous ex the last person she expects to protect her is Hayden Michaels the cocky bully from their one night stand Now the arrogant hockey star she swore to hate is showing up with hot chocolate secret rink lessons and the kind of protective patience that makes enemies to lovers feel inevitable even under family opposition Hayden's dream is the NHL not romance but the bookish girl with a bite becomes his calm in the noise With scouts in the stands and powerful family opposition pushing an early draft he has to choose between the life they mapped out and the one he wants Book 2

Burny's Journeys Brian Finkle, 2004 It's one man's story from childhood to his mid fifties and counting He never went looking for adventures or answers to life but because of timing coincidences synchronicities call it what you will that started early and have never ended he has been blessed with a lifetime of stories and then some He spent his first twenty years in small town Iowa before the U S Army decided that they had a need for him It was February of 1968 and it proved to be a bad time to be entering the military After a year in Vietnam he came home intact but a changed young man He packed up a van and headed west with everything he owned Except for the baseball cards that his parents had already thrown away Damn After joining Vietnam Veterans Against the War John Kerry was their president he went to D C and threw his medals away on the Capitol steps with a thousand or so other vets who realized that as a country we could make mistakes and this time we had He was thrown in jail in Denver with 78 other vets for simply trying to march as an organization in the Veteran's Day Parade It was a tough time for people to stand up to their government but he felt it was important and so did many people Those actions changed the direction of our country Maybe something like this the author suggests is needed again today After some bad relationships he hit the road for 2 1 2 years without an address to

call his own He spent two fairy tale winters in Mexico and Guatemala where he explored caves found untouched ceynotes met many characters as well as great friends and all the while he compiled stories It was then that he began journaling and has never stopped nearly 30 years later and neither have the stories He had the most vivid dream of his life which magically eventually led him to his lovely bride They have now shared the past quarter of a century together including kids and grandkids It s all there along with the lessons and confessions
