Web Design That Works , **New York Magazine** ,1995-11-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Before You Say Anything** Victoria Wellman,2025-08-22 The convention breaking creative process of New York s busiest speechwriter offering a holistic approach to crafting every kind of speech The ability to express yourself in words has become both a rite of passage and an essential skill for anyone who wants to make a difference within their family community workplace or beyond And yet strategies for engaging a new generation of media and tech savvy audiences have failed to keep up with the times leaving speakers wondering how to articulate a resonant message that bristles with detail authenticity and emotional truth While we can t all expect to captivate and inspire millions as Barack Obama and Greta Thunberg have every speaker regardless of their experience can follow a road map to elevate a narrative from serviceable to unforgettable This is true whether you re roasting a colleague at an office party delivering a keynote industry address accepting an award or eulogizing a loved one In *Before You Say Anything* Victoria Wellman the founder and president of Manhattan based speechwriting company The Oratory Laboratory shares her unique methodology for researching reimagining crafting and delivering an outstanding speech by focusing on three core objectives respect for the audience the restless pursuit of originality and intentionality behind every word Full of hilarious anecdotes and examples from Wellman s extensive experience as the go to speechwriter for power players and everyday people from around the world *Before You Say Anything* is an irresistible antidote to the age old doctrine of what a speech must include Instead it will leave readers with an enlightened and refreshing way of thinking about their sources ideas and material and give them a strategy for putting it all to use *The Instigator* Jonathon Gatehouse,2013-06-01 Two decades of lockouts soaring ticket prices and on ice tinkering have convinced many hard core fans that the NHL s long time commissioner Gary Bettman is the devil in disguise but this book examines his motivations peels back his often prickly demeanor and explains how he manages to lead confound and keep order It details the unlikely ascension of a fatherless Jewish kid from Long Island who never played hockey and can barely skate to the sport s biggest job The seven fold increase in gross revenue during Bettman s 20 year tenure as NHL commissioner makes him a business success story and on his watch professional hockey has also expanded far beyond its regional strongholds By taming the NHL s famously fractious owners all but busting its players union and enforcing a lawyerly discipline even on trash talk Bettman has become a figure of almost unrivaled power in the business of sports and this biography delves into how his influence shapes rival leagues in other countries dictates the schedule of the Olympic Winter Games and spills onto the ice itself **Armchair Hockey** Mika

Tropic Of Hockey Dave Bidini,2011-12-14 One hot afternoon in 1998 Dave Bidini who loves hockey watches it plays it and breathes it found the Stanley Cup final so tedious to watch that at one point he clicked channels to Martha Stewart and never switched back This made him wonder where in the world the game might exist free of the complications of professional sport He set out to find the tropic of hockey His quest took him to a rink on the seventh storey of a mall in Hong Kong a rink encircled by a dragon headed roller coaster and to the gritty city of Harbin in northern China where a version of hockey has been played for 600 years to Dubai in the desert of the United Emirates where hockey is brand new and incredulous Bedouin drop by the Al Ain rink to touch the ice and to Transylvania where the game is a war between Romanians and ethnic Hungarians who were introduced to hockey by a 1929 newsreel of Canadians chasing the puck Bidini s encounters with odd sized rinks and players of wildly different talents and experiences have inspired him to interweave his stories of hockey in unlikely places with funny and eyebrow raising stories about places and players back in Canada As a bonus readers are also treated to some striking observations about the game its fans and the testosterone the profanity and the moments of grace that enrich it
