The Plus One Sophia Money-Coutts, 2018-08-09 The Plus One is an informal portrait of a person who accompanies an invited person to a wedding or a reminder of being single alone and absolutely plus none Brilliant and bonkers in equal measure Had me laughing the whole way through When Harry Met Sally meets The Devil Wears Prada **WTF?** Tim O'Reilly, 2017-10-10 Can we master the technologies we create before they master us A punchy and provocative assessment by one of Silicon Valley's sharpest observers Financial Times WTF can be an expression of amazement or of dismay and today's technology elicits both reactions In this book Tim O'Reilly dubbed the Oracle of Silicon Valley by Inc magazine explores the upsides and potential downsides of today's WTF technologies What is the future when an increasing number of jobs can be performed by intelligent machines instead of people or done only by people in partnership with those machines What happens to our consumer based societies to workers and the companies that depend on their purchasing power Is income inequality and unemployment an inevitable consequence of technological advancement or are there paths to a better future What will happen to business when technology enabled networks and marketplaces are better at deploying talent than traditional companies How should companies organize themselves to take advantage of these new tools What's the future of education when on demand learning outperforms traditional institutions How can individuals adapt and retrain Will the fundamental social safety nets of the developed world survive the transition and if not what will replace them O'Reilly is the man who can really make a whole industry happen according to former Google CEO Eric Schmidt and for decades he's identified and helped shape our response to emerging technologies with world shaking potential from the World Wide Web to Big Data and AI Here he shares the techniques he's used at O'Reilly Media to anticipate innovation waves and provides a framework for thinking about how current innovations are changing the nature of business education government financial markets and the economy as a whole He helps us understand how the parts of digital businesses work together to create marketplace advantage and customer value and why ultimately they cannot succeed unless their ecosystem succeeds along with them O'Reilly exhorts businesses to DO MORE with technology rather than just using it to cut costs and enrich their shareholders Robots are going to take our jobs they say O'Reilly replies Only if that's what we ask them to do Technology is the solution to human problems and we won't run out of work till we run out of problems Whether technology brings the WTF of wonder or the WTF of dismay isn't inevitable It's up to us A compelling narrative of how technology interweaves with the real world If it can cajole even a few tech titans to dwell on the social and political impact of what they do then it will have served a useful purpose Financial Times WTF is a book about technology as it was as it is and as it could be It is told from the perspective of someone who has been personally present at the most important moments in the fast paced history of tech and who played a significant role in those moments Please do read this book Cory Doctorow Boing Boing The Stylist Takes Manhattan Rosie Nixon, 2019-09-03 A Best Book of September from Liz and Liza and Women.com Amber Green is back The sequel to Rosie

Nixon's fun-filled debut follows Amber as she tries to see if she has what it takes to be a stylist in the fashion capital of the world New York City. She'll take a bite out of the Big Apple's fashion scene if it doesn't eat her alive. First London stylist Amber Green has rebounded nicely since escaping the clutches of a Hollywood boss from hell. She's got a dream job designing windows for Selfridge's and her dream man in sweetly sexy boyfriend Rob. In short, Amber loves her life and wouldn't change a thing. But when Rob is hired to produce a reality series about the iconic Angel Wear lingerie fashion show, he breaks the news that he's moving to New York and invites Amber along on the adventure. Ensnared in a Williamsburg sardine tin and in touch with a hotshot agent who advises she boost her social media presence, Amber hits Instagram hard, posting unintentional gossip fuel that culminates in pics of a mysterious new acquaintance who turns out to be a scandal unto himself. Between nightmarish gigs, baby photo shoots, anyone and styling a free-spirited starlet who seems allergic to clothing, Amber doesn't know if she's on the brink of a big break or a breakdown. That is, until a career-making opportunity falls into her lap and with it the truth about real friends vs. cheap knockoffs.
