One Thing A Gospel Centered Life On Mission:

One Thing Ben Harrel,2014-08-01 As the God s people we have one thing to do to live gospel centered lives on mission Any mission especially one of this magnitude requires that we understand what is expected and where we are headed Typically books about mission tend to focus on defining the mission and understanding the people and places where we serve One Thing goes a different direction by examining the type of people we should be as we participate on God s mission The mission of God is something that all believers and all churches get to be a part of For some that may be exciting to think of for others that may be overwhelming This study provides an opportunity to go deeper in the Word to answer two questions What does it mean to be a disciple of Jesus How do we make disciples of Jesus Ben Harrell is an international missionary He and his wife moved overseas with a desire to make disciples in some unreached and restricted areas of the world Along the way they ve faced numerous challenges and obstacles but they ve learned that God s mission is as much about being as it is about doing This study is the result of Ben s experience on the field and succinctly teaches discipleship from missionary perspective

Gospel Coach Scott Thomas, Tom Wood, 2012-05-08 In order to help pastors and other Christian leaders to lovingly lead God s flock to Jesus Christ and into God s mission Scott Thomas and Tom Wood clarify a process of coaching and shepherding that is rooted in the patterns of the Good Shepherd himself a process in which leaders stir up the gifts passion and calling upon others lives This book addresses the needs of the leader his or her sinful tendencies and church leadership issues It directs the leader to the person and work of Jesus It provides a system to intentionally shepherd leaders to glorify God in their personal spiritual and missional lives Many ministry leaders serving in churches find themselves overwhelmed disillusioned and depressed by the enormous and challenging task of leading and ministering in a congregation As a result the ministry suffers the leaders suffer and the result is often an unhealthy church existent with little or no Gospel influence These leaders need someone to shepherd their soul so that they can lead others to the Chief Shepherd Jesus Christ We

suggest that coaching for the church leader looks less like corporate consulting or humanistic psychology and more like biblical shepherding We suggest that every church leader needs a Gospel Coach to come alongside with words of truth wisdom and experience to encourage admonish comfort and help words drawn from Scripture and godly wisdom grounded in the gracious saving work of Jesus Christ and presented in the context of a trusting relationship Gospel Coaching is an intentional relationship to skillfully care for others with four ancient shepherding principles 1 Know the sheep 2 Feed the sheep 3 Lead the sheep and 4 Protect the sheep A Gospel Coach both inquires about the personal spiritual and missional aspects of a ministry leader's life in a loving yet focused manner and also probes the church leader for compulsive unbelief or selfish motivation or disobedience and sin and leads the ministry leader back to the Gospel through belief repentance and obedience Churches that desire to be rich in a Gospel application toward their city their relationships with one another their communication and worship as well as their service will benefit to a greater degree by having their leaders being coached by a Gospel centered leader
