UNFORTUNATELY THEY BELIEVE IN HIM Christopher Csejthe doesn t believe in vampires Not until he becomes one He doesn t believe in witches or werewolves either Not until they make him an offer he can t refuse Flight of the Living Dead A scream sliced the night air an animal sound as far removed from a human voice as the previous scream of tortured metal It was a sound that went on and on as we hurried toward the RV Mooncloud yanked the passenger door open and then ran around to the driver s side as I climbed up onto the bench seat As she slid behind the wheel the other woman leapt from the building s rear doorway sailing over the stairs and landing on the ground below As she crouched on the asphalt there was a shattering roar that canceled out the screaming A ball of flame rolled out from the doorway like an orange party favor licking the air just a few feet above her head Mooncloud threw the van in gear and brought it skidding around as the blaze snapped back through the opening Before I could reach for the door handle the woman was springing through the open window to land across my lap Go she shouted but Mooncloud was already whipping the vehicle in a tight turn and accelerating toward the parking lot s north exit The speed bump smacked my head against the roof of the cab and by the time my vision cleared

we were driving more sedately down a side street the woman with the crossbow sitting between me and the passenger door In the rear view mirror a pillar of flame was climbing from the roof of the old dormitory that housed the radio station I shook my head to clear away the last of the planetarium show and gripped the dashboard Will somebody please tell me what s going on It s very simple Mr Csejthe Dr Mooncloud said pressing a button that locked the cab doors You are a dead man At the publisher s request this title is sold without DRM Digital Rights Management **Stone Guardian: A Paranormal**
