One In A Million Journey To Your Promised Land

Lynn E. Swaner, Andy Wolfe

One In A Million Journey To Your Promised Land:

One in a Million Priscilla Shirer, 2010-03-01 The Egyptians in Exodus 1 were intent on enslaving the Israelites wearing them down so that God's chosen people would become disillusioned and not live up to their destiny. Of the original two million Israelites who received God's invitation to enter the Promised Land, only two actually entered it. Similarly, modern-day Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life. In *One in a Million*, Bible teacher Priscilla Shirer invites us to change that pattern for good living beyond our circumstances and expecting to see God move in miraculous ways day after day. Without a doubt, we can find and follow God's purpose for our journey. We can make it to the Promised Land. **One in a Million - Bible Study**

Holley Gerth, 2012-03-01 Women feel enormous pressure to be perfect. To have the perfect body, to be a perfect woman, to have the perfect career, and to have the perfect attitude. All the time. Under all that pressure, and all those expectations, are women carrying burdens they were never meant to carry and suppressing the dreams they were always meant to live. In *You're Already Amazing*, popular blogger and cofounder of *In Courage* helps women understand and embrace the fact that they don't need to do more, be more, and have more because they're already amazing just the way God created them to be. As a licensed counselor and certified life coach, Holley knows what readers need to hear. Like a heart-to-heart talk over coffee, reading this joy-filled book encourages women to forget the lies and expectations the world feeds them, instead believing that God made them for a purpose and that he loves them right now at this moment, and always. Holley takes readers on a journey of the heart to discover their strengths and embrace all God created them to be.

Gypsy Bags & Traveling Jackets Mica Rath, 2013-07 Gypsy Bags stories of faith, rewarded hope, rekindled and love poured out in ways unimaginable. **I Surrender All** Priscilla Shirer, 2024-08-06 All To Him I Freely Give. From Priscilla Shirer comes this fervent appeal and invitation to surrender everything to Jesus. To follow Him not just as your Savior but as your priority, your first love, your Lord. To move beyond being a believer to becoming His disciple. Because there is a difference. Salvation is a gift of God. It's free. It's grace. It's the cross. Discipleship comes at a high cost. It's surrender. It's effort. It's a daily choice to lay down your life and follow His. Few believers choose this route, but the ones who do will experience the abundance that only the surrendered life can offer. It's the one choice standing between you and the life of freedom and

fulfillment of peace and purpose you've always wanted I Surrender All is all about making that choice The choice that changes everything This book will be impossible to simply read because it beckons you to make a decision about the kind of Christian you will be Prepare to engage to write to pray and be called into a surrendered life An abundant life A disciple's life Inspired by the themes of the feature film THE FORGE *Flourishing Together* Lynn E. Swaner, Andy Wolfe, 2021-11-16

How do students educators and schools flourish together especially in an era of increasing pressure from standardized testing growing challenges to student mental health and well being and frequent educator burnout Many schools strive toward academic achievement as their primary marker of success but this well meaning approach can lead to a reductionist view in which students are too often seen as statistics rather than whole human beings Teachers school leaders parents and of course students know that flourishing is a much broader and more holistic aim for education But what is to be done The goal of this book is to call Christian educators back to a better vision of flourishing within a robust theological framework with the practical guidance necessary for implementation To accomplish this Lynn Swaner and Andy Wolfe take readers through an exploration of five essential domains identified through extensive empirical research purpose relationships learning resources and well being An ideal resource for professional development and strategic planning *Flourishing Together* persistently adheres to the principle that anything that is worth building cannot be built alone Thus the vision for flourishing here is one in which the school community is understood as an interconnected ecosystem in which each one's flourishing is dependent on their flourishing together Accordingly teachers and administrators will be inspired and equipped to reshape their schools as places where they alongside their students can flourish together in a community of abundant life

Life Interrupted Priscilla Shirer, 2011-03-01 From telemarketers to traffic jams to twenty item shoppers in the ten item line our lives are full of interruptions They're often aggravating sometimes infuriating and can make us want to tell people what we really think about them But they also tell us something quite important about ourselves The prophet Jonah's life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction Yet it wasn't really an interruption It was an opportunity for Jonah to be involved in something the likes of which the Old Testament world had never seen national revival in a Gentile country What if Jonah had seen God's interruption for what it truly was a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time What could have felt any better than being directly in the center of God's will Yet we play it that same way always running from major pains and minor problems that just don't seem to suit us at the time Who knows what we're missing by being so interruption avoidant In this very personal account of opportunities lost and lessons learned popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God even when He's going against your grain *The Elephant Gospel* Deborah Ann Saint, 2017-01-16 The Gospel is more powerful more redeeming and greater than we live I have been deeper in sin than most like Paul the woman at the well and

Peter after his denial I have missed God lived as an outcast sinner and denied Gods presence and power in my life Yet God has shown me His New Covenant of hope the secret of hope I live by and love If you or someone you love has an ugly seemingly unforgivable past like mine you too can know by evidence from the Bible that you can be forgiven You can learn to live forgiven with a clear conscience The relief from all guilt and shame is a pivotal gift of the Gospel that we get the privilege of offering in turn to others Are you or someone you care about down trodden Forgotten Guilt ridden This book is for you If youve had an abortion if youre gender questioning if youve been abused or addicted its for you It is for those society has given up on its for the worst of us and the best of us Its for those who think they are good enough and not sinners All people everywhere can turn look at Christs love receive His forgiveness and know His salvation He forgives murder His grace changes everything Uniquely conveying truths through a series of four elephant parables this book seeks to reveal the magnitude of what is at stake when we live true to the real Gospel and what happens when we understand and herald the Gospel in the power Christ entrusted to us May we use it for His glory to advance His kingdom for He came to save not condemn
