"One Step Beyond the Hero" Giorgio Mariani ,2025-03-26 The essays collected in this volume were written over the last twenty or so years and were all originally published with one exception in a variety of journals and edited collections The topics covered range from contemporary Native American literature to war literature and cinema from the revisionist Western film to the prose of Ralph Waldo Emerson and other writers who struggled to think of peace as something different from the peace that can be safeguarded by an unending preparedness for war As a whole this book attempts to gauge to what extent both film and narrative can point in the direction of that one step beyond the hero which Emerson in his early years saw as necessary to becoming true peace fighters Though One Step Beyond the Hero shows how difficult it is to imagine let alone realize a world free of violence brutality and coercion its goal is not to undermine the Utopian desire for a non violent future On the contrary by calling attention to how writers and filmmakers deal with both violence and war this study engages in a critical scrutiny of culture based on the notion that peace should be another word for justice *An Analytical Guide to Television's One Step Beyond, 1959-1961* John Kenneth Muir,2001 Alcoa Presents One Step Beyond made its television debut in 1959 nine months before Rod Serling s classic The Twilight Zone and paved the way for a generation of television programs devoted to paranormal topics such as the occult ESP and ghost stories One Step Beyond was also where some of Hollywood s most famous leading men including Warren Beatty William Shatner and Charles Bronson got their starts in television This complete reference work to the 96 half hour episodes that ran for three seasons on ABC also offers a detailed history extensive commentary and summaries of the critical reception of One Step Beyond as well as coverage of the sequel series produced in 1978 entitled The Next Step Beyond Complete credits for both series are provided *Catalog of Copyright Entries, Third Series* ,1960 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc Vol. 143, for the year 1853, Part 1 bis Vol. 165, for the year 1875 ,1876 **Journal of the Bombay Branch of the Royal Asiatic Society** Royal Asiatic Society of Great
