Oneness Vs Trinity Debating The Godhead:

Oneness Vs. Trinity Larry Tate, 2015-08-06 Trinity or Oneness Which belief is right Does the average Christian truly understand the basis of their own beliefs regarding the makeup of the Godhead or do they simply hang onto a handful of key platitudes and talking points that have been handed down by their pastor Other than a few memorized Scriptures that seem to support their particular doctrine of the Godhead many Christians don't have a firm grasp of scriptural evidence that truly supports the cornerstone of their most basic beliefs A solid foundation of belief is desperately needed because these two doctrines are at extreme odds with each other Proponents from both sides have been known to proclaim that the other side cannot be saved due to their beliefs in the Godhead Other than an agreement that our God is also the God of Abraham Isaac and Jacob there is little other accord between these two opposing theological camps This book presents many of the typical arguments from both doctrines and puts them together in a debate like format This way both Oneness believers and Trinitarians alike will be able to better understand the basis of their own positions At the same time they will come away with a better understanding of the positions presented by the other side Hopefully if they are able to lay their biases to the side they'll be able to make an informed decision as to which side has the best scriptural support and logic

meaning and application of Scripture placed a veil over the heart of believers and deprived Christians of its complete relevant impact upon them Therefore it was necessary to write a book which establishes a systematic theology based upon the full counsel of God Acts 20 27 without imposing agendas nor being controlled by any religious group **Pentecostal Theology** Keith Warrington,2008-08-07 Pentecostals traditionally do not think theologically so much as do it practically This book will present Pentecostal theology as well as the particular style of Pentecostal thinking and praxis that makes it different Pentecostalism is not just distinctive because of its belief base but also because of the worldview it owns The latter is based on a certainty that a religion that does not work is not worth much Consequently they look for expressions of life and vitality in their faith These dominate rather than an expression of the cerebral though this is changing Nevertheless the sense of the immediate the God of the now not the distant past underlie how they do theology Pentecostal theology tends to be seen through the eyes of people not theologians through the community not traditions though they have them through their faith and worship not ancient creeds It is a theology of the dynamic seen through the lens of experience It is a functional theology that exists to operate to incorporate an experiential dimension Pentecostal theology does not operate as other theologies which often only detail a list of beliefs it does this but also and more importantly it explores them in the context of praxis Thus this volume incorporates praxis as part of the enquiry relating to theology **Biblical and Theological Studies on the Trinity** Rob McIver,Paul Petersen,2013-12-31 The word trinity is not in the Bible The expression of the doctrine was developed over a long period and finalized only in the fourth century Many Christians who want to be biblical have questioned the official church doctrine on the Godhead The following collection of articles from a Seventh day Adventist conference in Sydney emphasizes however that the concept of the trinity is thoroughly biblical The book covers a variety of aspects of the discussion of the doctrine both biblical historical and theological such as the trinity in the gospel of John the meaning of monogenes Kellogg and the trinity and Islam and the trinity **But I Speak Concerning Christ and the Church** Sam Tiangha,2016-03-04 The Church of God is more than Organizations The Church is the Reflection of Christ in this world Christ was separate Powerful and distinguishable The True Church must be the Same This cannot be done by compromising nor by guilt fear and traditions of man This can only be done by the power of his spirit *The Late Medieval Image Debate in English and French Literature, 1160-1500* Yun Ni,2025-11-27 Early modern reformers claimed to reject a superstitious image obsessed medieval past but what if medieval thinkers had already begun to critique sacred images This book reveals how late medieval literature reimagined breaking images as radical creation not destruction Step into the world of Arthurian legends The Romance of the Rose and saints lives where shattered statues and broken relics generate new meaning Explore the writings of Chaucer and Julian of Norwich who grapple with divine truth not by preserving images but by dismantling and remaking them This book uncovers a literary self that is dynamic assertive and subversive centuries before the Renaissance claims to invent it **The Theology of Amos Yong and the New Face of**

Pentecostal Scholarship Wolfgang Vondey, Martin Mittelstadt, 2013-06-15 In *The Theology of Amos Yong and the New Face of Pentecostal Scholarship* Wolfgang Vondey and Martin William Mittelstadt gather a table of experts on one of the most influential voices in current Pentecostal theology. The authors provide an introduction and critical assessment of Yong's biblical foundations, hermeneutics, epistemology, philosophical presuppositions, trinitarian theology, theology of religions, ecumenical and interfaith relations, theology of disability, engagement with contemporary culture, and participation in the theology and science conversation. These diverse topics are pursued through the complementary perspectives that together shape Yong's methodology, pneumatology, pentecostalism, and the possibility of renewal. The contributors invite a more thorough reading of Yong's work and propose a more substantial engagement with the new face of Pentecostal scholarship. Contributors include Andrew Carver, Jacob D. Dodson, Jeff Hittenberger, Mark Mann, Martin William Mittelstadt, L. William Oliverio Jr., David A. Reed, Tony Richie, Christopher A. Stephenson, Steven M. Studebaker, Paraskev, Eve Tibbs, and Wolfgang Vondey.

What's Right with the Trinity? Hannah Bacon, 2016-02-11 The doctrine of the Trinity poses a series of problems for feminist theology. At a basic level, the androcentric nature of trinitarian language serves to promote the male as more fully in the image of God and as the archetype of humanity, pushing women to the margins of personhood. It is no surprise, then, that feminist scholarship on this doctrine has often focused on what's wrong with the Trinity, setting out the problems raised by the use of traditional androcentric trinitarian language. This book brings together a discussion of feminist theological methodology with a critical exploration of the doctrine of the Trinity. Focussing on what's right with the Trinity as opposed to what's wrong with the Trinity, it considers the usefulness of this doctrine for feminist theology today. It replaces a stress on trinitarian language with an emphasis on trinitarian thought, exploring how we might effectively think rather than speak God in light of feminist concerns. In particular, it asks how a trinitarian understanding of God might support and be supported by key values which underpin a feminist way of doing theology, specifically values which underpin the methodological use of women's experience in feminist theology. The central argument is that thinking God as Trinity need not serve to reinforce patriarchal values and ideals but may in fact promote the subjectivity and personhood of women.

Early Christian-Muslim Debate on the Unity of God Sara Leila Hussein, 2014-09-11 *Early Christian Muslim Debate on the Unity of God* examines the writings of three of the earliest known Christian theologians to write comprehensive theological works in Arabic: Theodore Ab Qurra, Ab R i a, and Amm r al Ba r.
